**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Contains petroleum distillates. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**First Aid**

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

**If On Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

**Note to Physician:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

**Physical and Chemical Hazards**

**Butane Cartridge Hazard:** Extremely flammable. Contents under pressure. Vapors may cause flash fire. Use only in a well ventilated area. Do not use, store, or dispose near heat, sparks, or flames. Do not puncture or incinerate. Containers exposed to direct sunlight or otherwise heated above 120°F (49°C) may burst. Store in cool, dry area. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. If vapors are inhaled, remove person to fresh air.

**Environmental Hazards**

This product is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washer or rinsate. Drift may be hazardous to aquatic organisms in water adjacent to treated areas.

---

**Active Ingredient:**
- d-cis/trans allethrin........ 21.97%
- Other Ingredients........... 78.03%
- Total.......................... 100.00%

**Mosquito protection you don’t spray on**

- Repels mosquitoes, black flies and other flying insects
- Provides 15 x 15 ft area of repellency, the size of an average deck
- Each mat lasts a maximum of 4 hours
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USEFUL TIPS:

• Allow 10 to 30 minutes, depending upon the size of the area, for product to take effect.
• This product works well in outdoor areas where there is minimal air movement, such as decks, patios, yards and outdoor campites.
• Use one device per each 225 square feet (an area 15’ x 15’) or 15 feet in diameter.
• Each mat lasts a maximum of 4 hours and each Thermacell® butane cartridge lasts a maximum of 12 hours.
• Provides a maximum of 4 hours repellency per mat.
• Mats turn from pale blue to white when repellent has been exhausted.
• If your device fails to heat, it may be out of fuel. Check the fuel level by holding the cartridge vertically and looking at the fuel level. You can see the amount of butane in the cartridge. Replace if empty.
• Some visible vapor will appear during use; this is normal.
• Use additional appliances to cover a larger area.
• Allow 10 to 30 minutes, depending upon the size of the area, for product to take effect.

Use Restrictions:

• Only for outdoor use as an insect repellent. Do not use indoors, in tents or in any enclosed area. Do not insert anything other than THERMACELL® mats into the appliance. Cover or remove all exposed food. Do not leave appliance unattended or use in windy conditions. Do not use in any device other than THERMACELL® cartridges will not work in this appliance.

Storage and Disposal:

Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store unused mats in original box in a cool, dry place inaccessible to children and pets. Store appliance and butane cartridges in original box in a cool, dry place away from sources of heat. Pesticide Disposal and Container Handling: Nonrefillable container; do not refill or reuse this container. If cartridge is empty or for used mats: Do not reuse empty packaging, wrappers or cartridges. Do not puncture or incinerate empty cartridges. Place in trash or offer for recycling if available. If cartridge is partly filled or for unused mats: Call your local solid waste agency for disposal instructions. Never place unused mats down any indoor or outdoor drain. For unwanted appliance: Place in trash or offer for recycling if available.

TO USE THE MOSQUITO REPELLENT:

STEP 1

1. Remove one THERMACELL® Mosquito Repellent mat from wrapper.

STEP 2

2. Make sure the ‘ON/OFF’ switch on the appliance is in the ‘OFF’ position. Insert the mat under the appliance’s black grill. To change mats, turn the ‘ON/OFF’ switch to ‘OFF’ and allow the appliance to cool completely. Push the used mat out by inserting a fresh one.

STEP 3

3. Remove the appliance cover. Remove the butane cartridge cap.

STEP 4

4. Screw the cartridge into the opening of the appliance. Make sure the cartridge is fully inserted by turning it clockwise until it stops. Replace the appliance cover.

STEP 5

5. Turn the ‘ON/OFF’ switch to the ‘ON’ position; the butane gas will begin to flow.

STEP 6

6. Wait approximately 5 to 10 seconds then depress the start button three to five times in rapid succession.

STEP 7

7. To verify the appliance is operating, pick it up and check the lens on the end of the appliance. The light at the end of the appliance glows when the appliance is heating. If the light is not glowing, check to make sure the appliance is ‘ON’ and cartridge is completely screwed into place; then once again depress the start button three to five times in rapid succession. Check to make sure the light is glowing.

STEP 8

8. When finished using the appliance, turn the ‘ON/OFF’ switch to the ‘OFF’ position, and allow the appliance to cool completely. Appliance is now ready for storage.
