keeps out of reach of children

caution

precautionary statements and first aid

first aid

if in eyes: hold eye open and rinse slowly and gently with water for 15 to 20 minutes. remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. call a poison control center or doctor for further treatment advice.

if on skin or clothing: take off contaminated clothing. rinse skin immediately with plenty of water for 15 to 20 minutes. call a poison control center or doctor for treatment advice.

hot line number

have the product container with you when calling a poison control center, doctor, or veterinarian, or going for treatment. you may also contact 1-800-781-4738 for emergency medical treatment information.

directions for use

it is a violation of federal law to use this product in a manner inconsistent with its labeling.

use restriction

do not apply to pets less than 12 weeks old. consult a veterinarian before using this product on medicated, debilitated, aged, pregnant, or nursing animals. sensivity may occur after using any pesticide product for pets. if signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. if severe, consult a veterinarian immediately. do not apply more than 2 fl oz per pet application.

wet cat’s coat thoroughly. shake well before using. pour sergeant’s® gold flea & tick shampoo for cats & kittens into the cup of your hand. starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into the cat’s coat down to the skin. allow lather to stand 5 minutes, then rinse completely and towel dry. it should not be necessary to repeat the shampoo application unless the animal is excessively dirty. kills fleas and ticks fast. repeat every 30 days.

storage and disposal

pesticide storage: store in original container in a cool, dry place inaccessible to children and pets.

pesticide disposal and container handling: nonrefillable container. do not reuse or refill this container. empty. place in trash or offer for recycling, if available. if partly filled, call your local solid waste agency for disposal instructions. never place unused product down any indoor or outdoor drain.
