**NOTA:** Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones. ¿Preguntas o comentarios?

**NOTICE:** To the extent consistent with applicable law, buyer assumes responsibility for safety and use not in accordance with directions.
**Powerful & Long-Lasting Bait**

**Kills Sugar- & Grease-Feeding Ants**

**DIRECTIONS FOR USE**

**INDOORS**

1. Open pouch and break bait stations apart from each other.
2. Place one bait station along each ant trail or in out-of-the-way places near walls, in cabinets, and under sinks and refrigerators. Heavily infested areas may require two or even more bait stations for effective control.
3. For continued indoor control, replace bait every six months or sooner if infestation levels fluctuate.

**ENGLISH TRADUCTIONS**

1. Abra la bolsa y separe las trampas con cebo aparte uno del otro.
2. Coloque una trampa con cebo a lo largo de cada camino de hormigas o en lugares retirados cerca de paredes, en gabinetes y debajo de fregaderos y refrigeradores. Áreas infestadas pesadas pueden requerir dos trampas o más para un control eficaz.
3. Para un control continuo en espacios interiores, reemplace las trampas con cebo cada seis meses o antes si la infestación fluctúa.

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals.

CAUTION. Wash thoroughly with soap and water after handling bait stations.

Storage:

- Keep in original container in a cool, dry place, away from food, feed, and water utensils.
- Not for use on original dated store receipt showing the price you paid.
- If you are not satisfied with this product for any reason, please allow 6-8 weeks for showing the price you paid.

ATTENTION: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**DISPOSAL**

- Do not reuse this container.
- Place in trash or offer for recycling if available.
- Supplemental Control: For a stubborn ant problem, contact a pest control professional. However, for ant problems outside of your home, you can use a poison bait designed for outdoor use.

**DECLARACIONES PREVENTIVAS**

Prevención de cortes y quemaduras por niños y mascotas. 

CAUTION. Wash thoroughly with soap and water after handling bait stations.

**ALMACENAMIENTO Y ELIMINACIÓN**

Eliminación: Sumerja en un lugar fresco y seco, lejos de los niños y las mascotas.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all liability for safety and use of product not in accordance with these instructions. Important environmental notice: This product contains an ingredient that is harmful to birds. If you get this product on your hands, wash your hands immediately after touching it and do not touch birds with the soiled hands.
