REEFER-GALLER®
NO-MOTH
CLOSET HANGER

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: This product contains two 7 ounce cakes. One cake can fumigate 21.9 cubic feet and two cakes can fumigate up to 43.75 cubic feet. Kills clothes moths and carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, garment bags and closets. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polystyrene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Prevents moth infestation regardless of fabric type.

Application Directions: Open container. Unwrap both cakes, and while holding each cake by the cellulose wrapper, transfer both cakes back into the container. Place the filled container at the top of the storage container or closet. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When cakes have dissipated replace with new unit. Odor quickly vanishes when articles are aired.

STORAGE AND DISPOSAL

Storage: Store in the original container in a dry place inaccessible to children and pets.

Disposal: Tolerable container. Refill this container with Reefer-Galler No-Moth Refill only. Do not use this container for any other purpose. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING. Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.
