Shock XTRA BLUE
with BLUE ALGAE FIGHTING CRYSTALS

6-IN-1 POOL SHOCK CREATES SPARKLING WATER

- Destroys Organic Contaminants
- Reduces Eye Irritation and Chlorine Odor
- pH Neutral
- Clarifier Enhances Filtration
- Kills Algae
- Kills Bacteria

Fast Dissolving - Treat & Swim in as soon as 15 minutes

18 PACK
18 x 1 lb Bags
1 lb Treats 12,000 Gallons

NET CONTENTS: 18 lb (8.16 kg)

ITEM 758032

* Refer to the re-entry statement on the back panel for further guidance.
SWIMMING POOL SHOCK

How!

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

To Shock Water Clear:
- Add 1 lb per 12,000 gallons into the deepest pool area, operate filter and pump for 4 to 8 hours. Hold bag no more than 3 feet over pool surface.
- DO NOT pre-dissolve, DO NOT apply through skimmer or chemical feeder, DO NOT mix with other chemicals; a violent reaction may result.
- Wait at least 15 minutes after product application before entering pool.*
- Apply more product after heavy use, high temperatures, or rain. For best results, shock pool weekly.

To Kill Algae:
- Brush pool surfaces while filter and pump are operating.
- Add 1 lb per 12,000 gallons directly to the pool water in areas of heaviest algae growth, operate filter and pump for 24 hrs. Hold bag no more than 3 feet over pool surface.
- Repeat brushing.
- Do not enter the pool until the free available chlorine residual is 1-4 ppm.
- Product can be re-applied after 72 hours if necessary.
- TEST CHLORINE LEVEL PRIOR TO RE-ENTRY. RE-ENTRY INTO TREATED SWIMMING POOLS IS PROHIBITED ABOVE LEVELS OF 4 PPM CHLORINE DUE TO RISK OF BODILY INJURY.

To Claro Pool:
- Add 1 lb. per 8,000 gallons into the deepest pool area while filter and pump are operating.
- Apply an appropriate winter algaecide after addition of this product.
- Visit www.aquachem.com for complete pool closing instructions.

STORAGE AND DISPOSAL: Keep this product dry in its original unopened bag until use. For partially used bags, fold over top of bag and secure with adhesive tape. Store unopened and partially used bags in a secure location away from children. Store in a cool, dry, well-ventilated area away from heat or open flame. If product becomes damp, discard, following instructions for contamination under Physical or Chemical Hazards.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple rinse container (or equivalent) promptly after emptying.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS: DANGER: Corrosive. Causes skin burns. May be fatal if inhaled or swallowed. Causes irreversible eye damage. Harmful if absorbed through skin. Do not breathe dust or fumes. Irritating to nose and throat. Do not get in eyes, on skin or on clothing. Prolonged or frequent use on skin contact may cause allergic reactions in some individuals. Wear safety glasses or goggles and use rubber gloves. For additional protection of skin, wear long sleeves and long pants. Wash thoroughly with soap and water after handling product and before eating, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for treatment advice. IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. IN CASE OF MEDICAL EMERGENCY, CALL 1-877-800-5553.

Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL OR CHEMICAL HAZARDS: CONTAINS OXIDIZING AGENTS. DO NOT mix with other chemicals or any other substance. DO NOT pre-dissolve or add water to this product. Always apply directly into the pool. Contamination of this product with small amounts of water or other substances may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not reveal bag, isolate bag in open air or well-ventilated area. Flood bag and area with large volumes of water. In case of spills, scoop up and place product in pool water, then flood spilled area with large volumes of water.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic invertebrates and may contaminate water through runoff. Other than uses permitted by this label, do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsates.

NOTE: Buyer assumes all responsibility for safety and use not in accordance with directions.
