PRECAUTIONARY STATEMENTS:

HAZARD TO HUMANS AND DOMESTIC ANIMALS: DAN-
GER: Corrosive: Causes irreversible eye damage and
skin burns. Harmful if swallowed or absorbed through
skin. May be fatal if inhaled. Do not breathe dust or
vapors. Irritating to nose and throat. Do not get in eyes,
on skin or on clothing. Wear goggles or face shield, pro-
tective clothing and rubber gloves when handling this
product. Wash thoroughly with soap and water after
handling and before eating, drinking, chewing gum, us-
ing tobacco or using the restroom. Remove and wash
contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS:
Corrosive: Strong oxidizing agent. Use only clean dry
utensils. Mix only into water. Contamination with mois-
ture, dirt, organic matter or other chemicals (including
other spa chemicals) or any other foreign matter may
start a chemical reaction with generation of heat, libera-
tion of hazardous gases and possible fire and explosion.
Avoid any contact with flaming or burning material such
as a lighted cigarette. Do not use this product in any
device, which has been used with any inorganic or unsta-
bilized chlorinating compounds (e.g., calcium hypochlo-
rite). Such use may cause fire or explosion.

ENVIRONMENTAL HAZARD:
This pesticide is toxic to fish and aquatic organisms.

FIRST AID:
If inhaled: Move person to fresh air. If person is not breathing, call
911 or an ambulance, then give artificial respiration, preferably
mouth-to-mouth if possible. Call a poison control center or doctor for
further treatment advice.
If in eyes: Hold eye open and rinse slowly and gently with water for
15-20 minutes. Remove contact lenses, if present, after the first 5
minutes, then continue rinsing eye. Call a poison control center or
doctor for treatment advice.
If on skin or clothing: Take off contaminated clothing. Rinse skin im-
mediately with plenty of water for 15-20 minutes. Call a poison control
center or doctor for treatment advice.
If swallowed: Call poison control center or doctor immediately for
treatment advice. Have person sip a glass of water if able to swallow.
Do not induce vomiting unless told to do so by the poison control
center or doctor. Do not give anything by mouth to an unconscious
person. Have the product container or label with you when calling a
poison control center or doctor, or going for treatment.

Note to physician: Probable mucosal damage may contraindicate the
use of gastric lavage.

IN CASE OF EMERGENCY CALL 1-800-424-9300

STORAGE AND DISPOSAL:
Do not contaminate water, food or feed by storage or disposal.
Product Storage: Keep this product dry in a tightly sealed container
when not in use. Store in a cool, dry, well-ventilated area away from
heat or open flame. In case of decomposition, avoid container (if
possible) and flood area with large amounts of water to dissipate all
potential hazards.
Container Handling: Non-refillable container. Do not reuse or refill
empty container. Rinse thoroughly before discarding in trash.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a
manner inconsistent with its labeling. For Residential
Use: To a freshly filled spa or hot tub add one packet
for up to 500 gallons of spa water. After the product
has bubbled for a few seconds turn on the high speed
jets for a minute or until fully dissolved. Maintain a
test of between 7.2 and 7.6. Test water with a FROG
Test Strip to see if desired level of chlorine and pH has
been reached. Re-entry is prohibited above levels of 3
ppm chlorine due to risk of bodily injury.

ENVIRONMENTAL HAZARD:
Establishes an initial chlorine level to help:
• Determine the best SPA FROG Bromine Cartridge setting for your spa.
• Optimize the life of the SPA FROG Bromine Cartridge.

Product Description: This product perfectly accompanies the SPA FROG Floating System or In-Line System by starting up a
monthly filled spa with an initial chlorine level. The effervescent action helps the chlorine dissolve faster and the fizz tells you
it's working! For best results use FROG Jump Start™ after balancing the water and before using your SPA FROG System.

KEEP OUT OF REACH OF CHILDREN
