MANNA PRO®
EQUINE FLY & MOSQUITO AEROSOL

Kills Stable Flies, Horse Flies, Face Flies, Deer Flies, House Flies, Mosquitoes and Gnats.

FOR USE ON: Horses, Beef Cattle, Dairy Cattle, Hogs, Chickens, and other livestock.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ ALL DIRECTIONS COMPLETELY BEFORE USE.

USE RESTRICTIONS:

Do not contaminate food or feedstuffs.

SHAKE BEFORE USE AND AT INTERVALS DURING PROLONGED USE. Hold container upright with nozzle away from face. Press valve down and spray as directed.

FOR USE IN ANIMAL QUARTERS: Barns, Dairies, Milking Parlor, Milking Rooms, Poultry Houses, and other listed animal areas: For rapid kill of flies, mosquitoes, gnats, stable flies, house fly, horse fly, field fly, lessor house fly, deer fly, horn fly, black fly. Spray at the rate of 5 to 10 seconds per 1000 cubic feet of space directing the spray toward the ceiling and upper corners and not directly toward the animals or birds. For best results, close doors and windows if possible, before spraying and keep them closed for 10 to 15 minutes. Applicator should vacate the treated area and ventilate thoroughly prior to returning.

FOR USE ON LIVESTOCK: To protect horses, beef cattle, dairy cattle and other livestock from attacks and to kill stable flies, house flies, deer flies, house flies, horn flies, lessor house fly, mosquitoes and gnats spray about 3 seconds on each side being careful to spray back, withers and forelegs thoroughly.

To protect from face flies, spray the face and head or spray on a cloth and rub on the face being careful to avoid contact with the eyes. Repeat treatment as necessary when flies are troublesome.

For biting and sucking lice on cattle, horses, sheep, goats and hogs, spray to thoroughly wet the hair of the animal including the head and brisk of the tail. Repeat treatment in 10 days to kill newly hatched lice.

For sheep "tick" or head, thoroughly wet all portions of the body by spraying directly into the wool. Treat at a rate to suffocate the animal.

To kill fleas and lice on livestock, spray to thoroughly wet the animal.

SURFACE TREATMENT INDOORS:

FLEAS AND TICS: FOR USE IN LISTED PET AREAS. Remove and/or launder or destroy pet's old bedding. To reduce infestation, thoroughly spray the animal's bedding, sleeping quarters, kennel, around feeders, water containers, window and door frames, walls, cracks, local areas of floors and other resting places until the surface is slightly moist. Treat these areas at the rate of two seconds per lineal foot at the distance of 12 to 18 inches. Also spray the entire inside surface of doghouses. Put fresh bedding in pet's quarters after spray has dried. Allow treated areas to dry thoroughly before allowing pets to re-enter. For best results, pets should be treated with an EPA registered flea and tick control product before they return to the treated area. DO NOT TREAT PETS WITH THIS PRODUCT.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE:

Store in a cool, dry area away from children, preferably a secure storage area. Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Do Not Puncture or Incinerate! Non-refillable container. Do not reuse or refill this container. If empty, place in trash or offer for recycling if available. If partly filled, call your local solid waste agency for disposal instructions.

FIRST AID:

IF ON SKIN OR CLOTHING:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 10-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES:

Wash out with plenty of water for 15 minutes. Call a poison control center or doctor for treatment advice.

IF INhaled:

Get fresh air and call a poison control center or doctor for treatment advice.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:

Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

ENVIRONMENTAL HAZARDS:

For terrestrial use, do not apply directly to water, or to areas where water surface is present or to intertidal areas below the mean high water mark. PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. Do not use this product on or near electrical equipment due to possibility of shock hazard.

KEEP OUT OF REACH OF CHILDREN

CAUTION:

See back panel for First Aid and additional Precautionary Statements.

EPA Reg. No. 1021-1446-55392
DOT No. MS149

MANUFACTURED:
