**DIRECTIONS FOR USE**

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. • If person is not breathing, give artificial respiration, preferably by mouth-to-mouth if possible. • Call a poison-control center or doctor for further treatment advice.

**IF SKIN OR CLOTHING:** Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration. • If person is not breathing, give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison-control center or doctor for further treatment advice.

**IN CASE OF MEDICAL EMERGENCIES OR HEALTH AND SAFETY INQUIRIES:** • Call a poison control center or doctor for treatment advice. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**ENVIRONMENTAL HAZARDS:** This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. This product is toxic to bees exposed to direct treatment on blooming crops or weeds while bees are actively foraging. Apply EQUISECT™ Fly Repellent to point on treat over areas to be protected. Pay special attention to legs, belly, shoulders, neck and facial areas. Avoid eyes and mucous membranes. Repeat treatment daily or at intervals necessary to give continued protection.

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER:** • Keep out of the reach of children. • Not for use on horses intended for slaughter. • Poisons and other intoxicants are lethal to human and domestic animal health. • Do not apply EQUISECT™ Fly Repellent near water bodies, particularly ponds and lakes. • Keep out of reach of children and pets.

**CAUTION:** • To control flies and ticks on dogs and cats, apply EQUISECT™ Fly Repellent starting at the animal’s head (avoiding the eyes, nose and mouth as you spray) Make sure the entire body is covered, including the legs, underbelly and tail. While spraying, puff the hair so that the spray will penetrate to the skin. Make sure spray wets the animal thoroughly. • Avoid contact with genitalia. • Repeat treatment daily. • Do not use on dogs and cats under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated or nursing animals.

**SENSITIVITY** • May occur after using any pesticide products for pets. • If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. • If signs continue, consult a veterinarian immediately.

**PET AREAS:** To control flies and ticks in premises, thoroughly spray infested areas, pet beds, quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames with EQUISECT™ Fly Repellent. Do not wet articles to point of run off or drip. Do not apply treated articles to clothes treated articles to clothes shortly after application. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use. Do not remain in treated area. Eat area immediately and remain outside the treated area until vapors and/or mists have dispersed. Not for use in outdoor residential misting systems.

**STORAGE AND DISPOSAL:** • Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place inaccessible to children and pets.

**DISPOSAL:** • Nonrefillable container. Do not reuse or refill container. • If Empty: Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
