RESTRICTED USE PESTICIDE DUE TO HAZARD TO NONTARGET ORGANISMS

For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator’s Certificate.

IOZOL® VOLE BAIT

FOR CONTROL OF VOLES (Microtus spp.) IN ORCHARDS, NONCROP AREAS, NURSERIES AND TREE & FORESTRY PLANTATIONS

KEEP OUT OF REACH OF CHILDREN PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION: Harmful if swallowed, absorbed through the skin, or if inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing dust. Keep away from children, domestic animals and pets. All containers (including applicators) must wear long-sleeved shirt, long pants, shoes, socks, and waterproof gloves. Any person who retrieves carcasses or unused bait following application of this product must wear waterproof gloves.

USER SAFETY REQUIREMENTS: Follow manufacturer’s instructions for cleaning equipment. This is a non-refillable, ready-to-use bait. For refillable equipment with a pump, use detergent and hot water. Remove cloth immediately after handling this product. Wash the outside of gloves before removing. Do not use hay cut after application for feed or bedding. To avoid exposing nontarget organisms, follow the instructions in the “Pesticide disposal” section to ensure proper clean up of any bait for reuse or disposal. Do not apply over bare ground or crops not specified above. Do not allow animals to graze in treated areas.

CAUTION: Harmful if swallowed, absorbed through the skin, or if inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing dust. Keep away from children, domestic animals and pets. All containers (including applicators) must wear long-sleeved shirt, long pants, shoes, socks, and waterproof gloves. Any person who retrieves carcasses or unused bait following application of this product must wear waterproof gloves.

FIRST AID

Have this label with you when obtaining treatment advice. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. In eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin with plenty of cool water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

TREATMENT FOR PET POISONING:

If animal eats bait, call veterinarian at once.

NOTE TO PHYSICIAN OR VETERINARIAN

Contains chlorophacinone, an anticoagulant.

If anim al eats bait, call veterinarian at once.

Hand Spot Baiting:

For human or dogs that have ingested this product, or have obvious poisoning symptoms (bleeding) or prolonged prothrombin times, give Vitamin K1 by doctor for treatment advice.

If anim al eats bait, call veterinarian at once.

Application rates of 20 lbs per acre. The maximum application rate is 40 lbs per acre per year for Pine voles, and 20 lbs per acre per year for other voles.

VOLE CONTROL IN NURSERIES, TREE AND FORESTRY PLANTATIONS, CHRISTMAS TREE FARMS, AND BORDER AREAS/BUFFER STRIPS ADOPTED TO CROPS

USE RESTRICTIONS: For control of only voles in commercial nurseries, tree and forestry plantations, Christmas tree farms, and border areas and buffer strips adjacent to crops (within 200 feet of the edge of the crop). This product must not be applied directly to food or fixed crops except as specified above. Do not apply within 50 feet of any body of surface water or where raptors are actively feeding on voles. Do not apply over bare ground or crops not specified above. Do not allow animals to graze in treated areas. Do not use hay cut after application for feed or bedding. To avoid exposing nontarget organisms, follow the instructions in the “Pesticide disposal” section to ensure proper clean up of any bait for reuse or disposal. Apply only by hand spot baiting and ground broadcasting. Do not apply aerially. In Colorado, New York and Vermont, only apply by "Hand Spot Baiting." In Florida, only use this product where Pine voles are known to occur and only apply by "Hand Spot Baiting." Application Directions:

Before application, examine orchard floor to locate trails and runway systems to be treated. Hand spot baiting: Place 1-1/2 ounces of bait, (6 tablespoons,) in each active hole, trail or runway, (do not exceed 10 lbs per acre). Cover each placement with grass or shingle to avoid exposing nontarget organisms, place bait in a tamper resistant bait station.

Ground broadcasting baiting: Using a commercial spreader, uniformly apply 10 lbs per acre. If populations are high, make a second application 1-2 months after the first. In states east of the Mississippi River, infestations of pine vole (Microtus pinetorum) may require higher application rates of 20 lbs per acre. The maximum application rate is 40 lbs per acre per year for Pine voles, and 20 lbs per acre per year for other voles.

VOLE CONTROL IN GARDENS, TURF AREAS, ANIMAL FEEDING AREAS, OR Ornamental and Shrub Gardens: Hand Spot Bait only: Do not apply by aerial or ground broadcasting.

For control of only voles (Microtus spp.) in lawns, golf courses, parks, other ornamental turf areas, ornamental flower and shrub gardens. Place 1/2 to 1 ounce, (2 to 4 tablespoons,) of bait in each active hole, trail or runway in areas where voles have been observed or are known to forage. If non-target animals/birds are present, place bait in tamper-resistant bait stations. Also apply under tarps used to provide winter protection for turf areas. Apply only one bait spot per trail or runway. If additional vole control is needed, a second application may be made 1 to 2 months after the first application. The maximum application rate is 10 lbs per acre per application, and 20 pounds per acre per year. Do not apply to golf courses or turfgrass areas in the state of California.

WARRANTY:

To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
