FOAMING WASP & HORNET KILLER

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

OUTDOOR USES: Under eaves, near windows, doors, patios, porches, and outdoor play areas.

INDOOR USES: Attics, and anywhere pests are built or where food or feed are not exposed.

Kills insects and eliminates the nests where they live and breed. Insects will fall to the ground
and die after spraying. Kills any insects inside the nest as well as any returning.

For Control of Wasps, Yellow Jackets, and Hornets and other listed insects:

For Nest:
1. Spray at a distance from the nest. Do not stand directly underneath.
2. Strike can well before each spray. Hold can upright and spray away from person. Push button to spray.
3. Aim sprayer at the opening in the nest and spray until sealed.
4. Then spray the rest of the nest until it is saturated. This product's powerful spray will also kill insects that
return to the nest.
5. Wait at least 24 hours before removing the nest.
6. To Kill Wasps, Hornets, Yellow Jackets, Ants, Spiders (including Black Widow Spiders), Scorpions,
Crickets, Ants, Flies, Wasps, Centipedes, Earwigs, Fleas and Mites:

- Spray 1-2 seconds until surfaces are moist to kill insects under eaves, around corners, windows, doors, killing
- on roofs, ledges, shoes, and crevices where insects are noticed.

- To prevent insects from entering the home, spray around areas where insects enter such as outdoor plumbing,
- faucets, etc. and cracks or crevices in foundations as well as along sinks and ledges.

Use Tips:
1. If windy, stand with the wind at your back to avoid spray drift.
2. Avoid spraying vegetation directly.
3. Rinse with water any desirable foliage that is contacted with spray.

General Precautions & Restrictions

Avoid contamination of food and feedstuffs. Do not use in commercial food/feed processing, preparation, feed
storage or serving area. Do not allow liquid or mist to come in contact with food or feed during treatment.

STORAGE AND DISPOSAL

Storage: Store in a cool dry place away from heat or open flame, preferably in a locked storage area.

Container Disposal: Do not puncture or incinerate. If empty, Place in trash or offer for recycling if available.

FIRST AID: If SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless
 told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take all contaminated clothing. Wash skin immediately with plenty of soap
for 15-20 minutes. Call a poison control center or doctor for treatment advice.
