Precautions:
- Avoid contact with eyes and lips.
- Storage: Do not contain water, food or need by storage and disposed.
- Caution in a cool, dark environment.
- Container Disposal: Do not reuse this container. Place in trash or offer for recycling.

PRECAUTIONARY STATEMENTS: Do not get in eyes. Wash hands with soap and water after handling.

First Aid
If in eyes: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If on skin: False effects may occur in rare cases. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or a doctor for treatment advice.

If Swallowed: Call a poison control center or a doctor immediately for treatment advice. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless told to do so by the poison control center.
