SENTRY® PurrScriptions® Plus
FLEA & TICK SHAMPOO FOR CATS & KITTENS

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Flea & Tick Shampoo for cats & kittens kills fleas and ticks while it cleans and deodorizes in one easy and convenient step. This rich conditioning, non-staining formula contains a highly efficient flea and tick killing ingredient combined with an insect growth regulator (IGR) that sterilizes new fleas and kills their eggs for 30 days.

DIRECTIONS FOR USE. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS
Do not apply to pets less than 12 weeks old. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using any pesticide product for pets. If signs or symptoms occur, consult your veterinarian immediately. Do not apply more than 2 fl. oz per pet application. Wet cat's coat thoroughly. Shake well before using. Pour SENTRY® PurrScriptions® Plus Flea & Tick Shampoo for Cats & Kittens into the cup of your hand. Starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into the cat's coat down to the skin. Allow lather to stand five minutes, then rinse completely and towel dry. It should not be necessary to repeat the shampoo application unless the animal is excessively dirty. Kills fleas and ticks fast. Repeat every 30 days.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in original container in a cool, dry place inaccessible to children and pets.
PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Nonrefillable container. Do not reuse or refill this container. If empty:
Place in trash or offer for recycling if available. If partly filled:
Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID
Have the product container with you when calling a poison control center, doctor, or veterinarian, or going for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

User Safety Recommendations
Users should wash hands with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
