PREREQUISITY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION
HAZARDS TO HUMANS: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.
Repeated exposure to etofenprox can cause skin irritation.
HAZARDS TO DOMESTIC ANIMALS: For External Use Only. Do not use on pets under 12 weeks of age. Consult a veterinarian before using on any animal that is debilitated, aged, pregnant, or nursing. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not use this product in or around fountains, fish ponds, or other watering devices.

FOR USE ON CATS:
Weighing less than 5 lbs - Apply contents of one (0.7 mL) (0.024 fl. oz.) tube of Sentry® Purrcriptions® Plus Squeeze-On as a spot or stripe, starting high on the back of the cat’s neck to in front of the shoulder blades. HOW TO APPLY:
Remove product tube from the package. Holding tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches. While holding the animal with one hand, use the other hand to apply the solution. Insert the tube and use the narrow end to part the animal’s hair while gently squeezing to apply the solution to the animal’s skin. Hold the animal for a few seconds to give the solution time to be absorbed into the animal’s coat. When finished, wrap the tube in paper and put into the trash.

STORAGE AND DISPOSAL

POSTCONSUMPTION STORAGE: Do not remove tube from the pack until ready to use. Store in a cool (below 25°C), dry place out of reach of children and pets. Do not refrigerate. Protect from direct sunlight.

POSTCONSUMPTION AND CONSUMER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product above any indoor or outdoor drain.

In case of Emergency, call: 1-800-781-4738 Non-Emergency, call: 1-800-224-PETS (7387)
