**DIRECTIONS FOR USE:**

- **USE RESTRICTIONS:**
  - For indoor use only.
  - Do not use this product on dogs.
  - Do not use this product on cats or kittens less than 5 lbs or 12 weeks of age.
  - Do not use more than one applicator per cat/kitten.
  - Do not use more than one treatment per month.
  - Do not use this product on pets that are pregnant or nursing.
  - Do not use this product on cats or kittens less than 5 lbs or 12 weeks of age.

- **APPLICATION METHOD:**
  1. Bend at perforation and tear off 1st month’s applicator. Hold tear-open tip of applicator at an approximately 90° angle to skin. Prior to application of the product, gently lift the cat’s or kitten’s skin and squeeze out the entire contents of the applicator onto the cat’s exposed skin. Do not bathe your cat/kitten with mild soap and rinse with large amounts of water. If signs continue, please call 1-800-950-4783.
  2. For outdoor use on Cats Only. Do not use on less than 17 weeks old or less than 5 pounds. This product is not a substitute for a prescribed heartworm preventative. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Certain cats/kittens may have adverse reactions before using as resilient animals. Sensitivities may occur after using this product. Do not apply this product to cats or kittens less than 5 lbs or 12 weeks of age. Do not use this product in a manner inconsistent with its labeling. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

- **HANDLING:**
  - Do not get this product in your cat's/kitten's eyes or mouth.
  - Do not allow your cat/kitten to ingest this product.
  - Do not allow cats/kittens to eat this product.

- **KEEP OUT OF REACH:**
  - Keep this product away from children.
  - Do not handle this product unless you are a veterinarian.

- **HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
  - May cause skin irritation such as redness, dryness, or swelling. Consult a veterinarian if these conditions occur.

- **HAZARDS TO HUMANS:**
  - May cause skin irritation such as redness, dryness, or swelling. Consult a veterinarian if these conditions occur.

- **HAZARDS TO ANIMALS:**
  - May cause skin irritation such as redness, dryness, or swelling. Consult a veterinarian if these conditions occur.

- **SIDE EFFECTS:**
  - May cause skin irritation such as redness, dryness, or swelling. Consult a veterinarian if these conditions occur.

- **SAFETY:**
  - Remove the applicator from the applicator container. Do not use this product on cats or kittens less than 5 lbs or 12 weeks of age. Do not use on less than 17 weeks old or less than 5 pounds.
