DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE. SHAKE WELL BEFORE USE.

EAR MITE & TICK CONTROL
This product is to be used as an aid in controlling mites and ticks on dogs and for the relief from itching caused by such conditions. Apply 5 drops into the ears twice daily until the condition is relieved. Do not allow children to apply this product. Use after 3 days if product is removed from ears and ticks outside the ear.

Hazards to Humans and Domestic Animals
CAUTION

HUMAN: Harmful if swallowed, absorbed through the skin, or inhaled. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wash hands after handling and before eating, drinking, chewing gum, or using tobacco. If signs of sensitivity occur, bathe your pet with mild pet shampoo and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

ANIMALS: Do not use on animals under 12 weeks of age. Consult a veterinarian before using the product on disabled, elderly, pregnant, nursing, or medicated animals. Sensitivity may occur when using any pesticide product for pets. If signs of sensitivity occur, consult a veterinarian immediately.

FIRST AID

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling. The product container or label provides information about proper disposal. If in eyes
Hold eye open and rinse slowly with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye.

If swallowed
Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Move person to fresh air.

If inhaled
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

FIRST AID

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling. The product container or label provides information about proper disposal.

FOOD AND WATER

Do not contaminate food or water for animals by storing and disposal instructions. Never place unused product down a sink drain or in the toilet. Disposal:

If empty:
Place in trash or offer for recycling, if available.
