**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ THE ENTIRE LABEL BEFORE EACH USE.

**HOME GARDENS**

For use on home gardens. For use on plants being grown for commercial sale or commercial use.

**Pet Lawns & Poultry** Dust controls a wide range of insect pests. Apply when insects first appear before damage from feeding occurs. Wear household latex or rubber gloves. Use a dust applicator such as a duster can, dust gun, pump or other Duster duster, rotary duster or other appropriate duster as available. Dust lightly to cover upper and lower leaf surfaces with a thin, even film of dust. Apply when air is calm to avoid drift and contact with eyes and skin. Allow dust to settle in treated areas before reentering. Wash hands thoroughly after handling and before eating or smoking. Do not allow dust to wind drift to non-target areas. Start applying at the farthest corner of the treatment area and work backward to avoid contact with dusted surfaces. For plants above chest height, consider using another insecticide. 

**Vegetables and Melons**
