**CAUTION:** Keep out of reach of children.

**TOTAL:** 100.00%

**OTHER INGREDIENTS:** 98.07%

**cyclopropanecarboxylate:** 0.40%

2-dimethyl-3-(2-methylprop-1-enyl)

**ACTIVE INGREDIENTS:**

**For use on mattresses, wood furniture & carpet!**

**Kills Bed Bugs, fleas, dust mites & ticks**

**Kills Lice**

**FIRST AID IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment for information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Handful of absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

This product is toxic to fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment, wash water or rinse. See Directions for Use for additional precautions and requirements.

**PHYSICAL OR CHEMICAL HAZARDS**

**Contents under pressure.** Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. Do not apply this product around electrical equipment due to the possibility of shock hazard.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**USE RESTRICTIONS:**

Do not apply this product in a manner that will contact adults, children or pets either directly or through drift. This product is not for use on humans. If lice infestation should occur on humans, use a product labeled for use on humans. Do not apply this product around electrical equipment due to the possibility of shock hazard.

**APPLICATION:**

- Spray in an inconspicuous area to test for possible staining or discoloration. Evaluate test area before spraying. Hold container upright with nozzle aimed away from you. Depress valve and spray from a distance of 8 to 10 inches. Spray each square foot for 5 seconds or until damp. Do not wet articles to the point of runoff or drip. Most effective results are achieved when used as part of a treatment protocol that includes physical, environmental and other chemical pest control measures. Vacate room after treatment and ventilate before reoccupying. Allow sprayed articles and surfaces to dry thoroughly before using or replacing bedding.

- **TO KILL BED BUGS AND BED BUG EGGS:** Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, bed frames, wall hangings, headboards, furniture, and window frames, floor and window coverings, rugs, garments, luggage, closets, drapes and other window appointments. Thoroughly clean and air out mattresses and box springs. Then treat areas that may harbor Bed Bugs or their eggs, such as tufts, folds and seams. When treating for bed bug eggs, apply each square foot for 13 seconds or until damp.

- **TO KILL LICE:** Spray only those garments, parts of bedding, including mattresses and furniture that cannot be either laundered or dry-cleaned.

- **TO KILL TICKS and FLEAS:** Spray around beds, furniture and pet's habitat. Spray pet's sleeping quarters, bedding, floor and floor coverings where pets are kept. Use only a recommended pet spray on pets.

- **TO KILL DUST MITES:** Thoroughly vacuum entire room concentrating on areas where mites congregate: such as mattresses, box springs, headboards, walls, floors, carpeting, and box springs. Then spray surfaces until damp.

- **TO KILL CLOTHES MOTHS AND CARPET BEETLES:** Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, furniture and around the edges of carpet. Apply as a surface spray to carpet, rugs, closets, box springs, furniture, on floor and floor coverings. When treating carpets, floor coverings or rugs, spray a sufficient amount to get the spray down into the base where the larval stages are feeding. Spray upper and lower surfaces of rugs or floor covering when possible.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage and disposal. Pesticide Storage: Store in a cool dry area. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling: Do not puncture or incinerate Nonrefillable container. Do not reuse or refill this container. If empty, Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

Before Using This Product, Please Read This Entire Label.
