Justice Brothers AC-CLEAN™ has been formulated to quickly and effectively remove foul, musty odors from automotive air conditioning systems. It will freshen foul-smelling systems by killing odor-producing organisms. Powerful deodorizers in Justice Brothers AC-CLEAN™ keep the automobile interior smelling fresh and clean.

**DIRECTIONS**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For use in automobile air conditioning systems, with engine running and air conditioner on maximum speed and cooling, spray the product into the air intake vent. Hold can 6 to 12 inches above the vent while spraying 4 to 6 seconds. Make sure the spray tip is pointed directly at the intake vent before spraying. The recirculating system will pick up the product and the entire system will be deodorized in seconds. Shut off engine and air conditioner after applying the product. NOTE: This product may also be applied directly to air vents, food spills, etc. to eliminate odors from those sources. Repeat as necessary.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Keep out of reach of children. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Harmful if swallowed. Flammable! Contents under pressure. Do not use near fire, sparks, or open flame. Do not puncture container. Exposure to temperatures above 130°F may cause bursting.

**FIRST AID**

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contaminate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**STORAGE AND DISPOSAL**

Do not puncture or incinerate if empty. Place in trash or offer for recycling if available. If partially full, call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
