Antibacterial Scrubbing Bubbles® XXI Bathroom Cleaner

CLEANS:
Foaming action easily removes soap scum, hard water stains, and dirt.

SANITIZES:
Kills 99.9% of common bacteria like Staphylococcus aureus (Staph), Klebsiella pneumoniae, Escherichia coli (E. coli), and Enterococcus faecalis. On non-porous surfaces, not recommended for use on acrylic, brass or natural marble.

SHINES:
Kills 99.9% of Bacteria

DEODORIZES:
Has a fresh, lemon scent.

Works from any angle.

DIRECTIONS FOR USE:

1. Spray 6-8 inches from surface to be cleaned.
2. Allow foam to penetrate soil. For heavily soiled areas, let stand several minutes before wiping. Remove by wiping with a wet cloth or sponge. No need to wipe dry. On chrome, rinse with water.
3. On hard non-porous surfaces, spray until thoroughly wet. Let stand for 1 minute. Then wipe. For heavily soiled areas a pre-cleaning is required.

TO INHIBIT AND PREVENT THE GROWTH OF MOLD AND MILDEW:
Remove gross filth or heavy soil prior to applying the product for treatment against mold and mildew. For more information, see back panel for additional precautionary statements.

STORAGE & DISPOSAL:

STORAGE:
Store in a cool, dry place away from heat or flame. Exposure to temperature above 130˚ F (54˚ C) may cause bursting. Do not puncture or incinerate container.

DISPOSAL:
This container may be recycled where aerosol can recycling is available. Before offering for recycling, empty can by using the product according to the label. DO NOT INCINERATE OR PUNCTURE. If recycling is not available, discard empty container in trash.

ANTIBACTERIAL PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION:
 Causes slight eye irritation. Avoid contact with eyes. Wash thoroughly with soap and water after handling.

FIRST AID:

Kills Odor Causing Bacteria

Causes slight eye irritation. Avoid contact with eyes. Wash thoroughly with soap and water after handling.

If in eyes:

1. Hold eye open and rinse slowly and gently with water for 15-20 minutes. If irritation persists, consult a physician.
2. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
3. Call a poison control center or doctor for treatment advice.
