How to Apply:
1. Remove the tube from the strip by tearing at the perforation.
2. With the tube pointing up and away from the face and body, roll off the narrow end of the tube with your thumb.
3. While holding the dog with one hand under the neck, apply the formulation around the dog's neck to help part the dog's hair. Apply directly on the skin.
4. Squeeze tube firmly to apply all of the solution to the dog's skin, as directed below.
5. Apply as a spot or stripe to the dog's back between the shoulder blades.
6. With the tube pointing up and away from the face and body, cut away from the face and body, cut off the narrow end of the tube with scissors.
7. While holding the dog with one hand, apply the solution to the dog's skin, as directed below.

STORAGE AND DISPOSAL
Pesticide Storage:
- Store only in original container in a cool, dry area inaccessible to children and pets.
- Nonrefillable container. Do not reuse or refill this container.

Container Disposal:
- Call your local solid waste agency for disposal instructions.
- Never place unused product down any indoor or outdoor drain.

If partly filled:
- Stop using and call your local solid waste agency or the environmental protection agency in your state for disposal instructions.
- Wash container, including labeling, with soap and water before disposing of in trash or recycling.

First Aid
- IF IN EYES - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or your local emergency room for treatment information.
- IF IN SKIN - Wash skin with soap and water. If signs continue, consult a veterinarian immediately.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
- CAUTION: KEEP OUT OF REACH OF CHILDREN
- Avoid contact with eyes. Wash hands thoroughly with soap and water after handling.
- Avoid contact with mouth, nose, and extremities.

Why Natural?
- Scientists have found that certain plants produce compounds that help to defend against insects. SENTRY Natural Defense® Natural Flea & Tick Squeeze-On for Dogs & Puppies combines the natural insecticidal power from these plants to effectively kill and repel fleas, ticks and mosquitoes on your dog.
- Not only are these natural pesticides effective, but they are safe to use around your family and pets.

SENTRY Natural Defense® Natural Flea & Tick Squeeze-On for Dogs & Puppies
Kills and Repels Fleas, Ticks and Mosquitoes with Natural Ingredients

Kills Fleas and Ticks on Contact
Safe for Use Around Children and Pets
Veterinarian Tested

Toxicity To Domestic Animals: Avoid contact with eyes. Wash hands thoroughly with soap and water after handling.

Toxicity To Humans:
Avoid contact with eyes. Wash hands thoroughly with soap and water after handling.
