SPA AND HOT TUB OXIDIZER

This product is specially formulated to destroy eye irritating chloramines, unpleasant odors, and corrects most cloudy conditions to restore spa water sparkle. It combines a blend of multiple oxidizers, water clarifiers and water enhancing buffers. Special ingredients aid the filter in removing small suspended particles to further enhance water clarity. This product provides enhanced water clarity, improved bath comfort, and is convenient to use. It is designed to be used with all types of spa surfaces.

This product dissolves quickly and completely. No pre-mixing is required. (In water temperatures less than 70°F, brush after application to speed dissolving. Do not allow undissolved material to lie in contact with bleachable surfaces.) This product is pH neutral and usage will not upset spa water balance. May be used with chlorinating, ozone, brominating, and ionization systems. It is formulated for use with all types of spa surfaces. DO NOT use in spas sanitized with biguanides. This product is not a sanitizer or algicide. To sanitize your spa or for removal of algae, use the appropriate Spatime product. Do NOT mix this product directly with any other shock products or spa chemicals, as violent reactions could occur. This product must be applied from the bottle directly into the spa water. DO NOT pre-dissolve this product.

DIRECTIONS FOR USE: is a violation of Federal Law to use this product in any manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

1. Test and adjust spa water pH to 7.2 - 7.6 prior to application of this product. 2. Apply product when spa is not in use. 3. Apply product at a rate of 3 tablespoons per 500 gallons. 4. With pump in operation, apply the entire treatment dosage at one time. Broadcast across water's surface. 5. Apply directly to spa water only. Do not add from the bottle directly into the spa. Contamination of this product with small amounts of water or other substances may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not inhale. Harmful if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Causes skin irritation. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wear protective eye- wear (safety glasses). Wash thoroughly with soap and water after handling product. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Note: Buyer assumes all responsibility for safety and use in accordance with directions.

STORAGE AND DISPOSAL:

Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. If product becomes damp, discard, following instructions for contamination under Physical or Chemical Hazards. CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple rinse container (or equivalent) promptly after emptying.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: DANGER: Corrosive: Causes irreversible eye damage. Do not allow this product to touch eyes or on clothing. Causes skin irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear protective eye- wear (safety glasses). Wash thoroughly with soap and water after handling product. Remove contaminated clothing and wash clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS: CONTAINS OXIDIZING AGENTS. Do not mix with other chemicals or any other substance. DO NOT pre-dissolve or add water to this product. Always apply directly into the spa. Contamination of this product with small amounts of water or other substances may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not inhale. Harmful if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Causes skin irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear protective eye- wear (safety glasses). Wash thoroughly with soap and water after handling product. Remove contaminated clothing and wash clothing before reuse.

Note: Buyer assumes all responsibility for safety and use in accordance with directions.
