READ ENTIRE LABEL BEFORE EACH USE:

PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION

Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wear long-sleeved shirt, long pants, socks, and shoes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before use. Do not use on puppies or kittens under 12 weeks. Consult a veterinarian before using this product on dogs, pregnant or nursing, or on areas not intended for treatment. Sensitization may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with a mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

IF IN EYES: • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or doctor.

IF ON SKIN OR CLOTHING: • Take off contaminated clothing. • Wash skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.

Note to physician: Contains petroleum distillates. Sensitivity may cause aspiration pneumonia. Have the product container or label with you when calling a poison control center or doctor for treatment advice. You may also contact 1-888-950-4783 for emergency medical treatment information.

USER SAFETY REQUIREMENTS:

Cessate clothing and other absorbent materials that have been drenched or heavily contaminated with this product's contents.

USER SAFETY RECOMMENDATIONS:

User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. User should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

DIRECTIONS FOR USE:

For indoor use only. Apply as a spot treatment in areas no greater than 3 ft by 3 feet per room. Remove or cover exposed food and drinking water before application. Remove or cover clothes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Application is prohibited directly into sewers or drains, or to any area like a gather where water seeps to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

USE RESTRICTIONS:

For indoor use only. Do not apply as a spot treatment to areas no greater than 3 ft by 3 feet per room. Remove or cover exposed food and drinking water before application. Remove or cover clothes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Application is prohibited directly into sewers or drains, or to any area like a gather where water seeps to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

DOGS AND CATS:

To control fleas and ticks on dogs and cats, dust powder liberally over the entire body. Rub dust into hair and around the feet, pads, and between the toes so that they are well treated. Take care not to put the powder in animal's eyes, nose, or mouth. Do not repeat treatment for one week. Dust pet bedding, kennel, and sleeping area regularly.

FOR DOGS AND CATS:

Can occur. Do not allow the product to enter any drain during or after application.

Nonrefillable container. Do not reuse or refill this container.

CONTAINER HANDLING:

Place in trash or offer for recycling if available.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:

This container is filled by weight, not by volume. You can be assured of proper weight even though some settling of contents normally occurs during transportation and handling.

In case of emergency or for product use information, call 1-888-950-4783 or visit our Web site: www.zodiacpet.com.
