RESTRICTED USE PESTICIDE

As with all pesticides, this product contains a toxicant that can be hazardous to humans
and wildlife.阅读所有标签和指示，并按照标签指示操作。This toxicant is harmful to mammals,
including humans. Only certified applicators or persons under their direct supervision may apply
this product.

This product is not for sale to the general public or for public use. To obtain this product, contact
your local County Agricultural Commissioner.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Keep away from humans, domestic animals, and food.

HAZARDS TO ENVIRONMENT

Do not contaminate water, food or feed by storage or disposal.

ENDANGERED SPECIES CONSIDERATION

Ground Squirrel Bait by Wilco is actually impregnated by the toxicant Diphacinone (CAS# 82-66-6). This toxicant actually impregnates Ground Squirrel Bait by Wilco (grain&nut) in the manner that results in the death of a member of an endangered species. Consult your County Agricultural Commissioner for current information on habitats occupied by endangered species.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to mammals and birds. Dogs, cats and other predatory and scavenging mammals and birds might be poisoned if they feed upon exposed material that have eaten the bait. Do not allow children to be in areas where this product is used.

PRODUCT EXPOSURE

Do not reuse empty containers. Discard all visible carcasses of animals found in or near treated areas. bury all visible carcasses of animals found in or near treated areas.
