KEEP OUT OF REACH OF CHILDREN
CAUTION: See back panel for first aid and additional precautionary statements

Net Contents 24 fl oz (1 pt 8 fl oz/709 ml)
Earth-tone®
3 in 1 Disease Control

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Shake well before using. Do not dilute.

FOR USE ON: Roses, flowers, ornamental trees and shrubs, vegetables, fruits, nuts and houseplants.

FOR CONTROL OF FUNGAL DISEASES: Controls a wide range of fungal diseases including: black spot, powdery mildew, rust, scab, blight, brown rot, and leaf spot. Thoroughly spray all areas of the plant, especially new shoots. For best control apply as a protective spray early in the season before the diseases are noticed. Re-spray every 7 to 10 days or after rain. May be used up to day before harvest.

FOR CONTROL OF INSECTS/MITES:
Controls wide range of pests including: aphids, mites, spider mites, leafhoppers, caterpillars, whiteflies, spittlebugs, mealybugs, scale, thrips, psyllids, plant bugs, lacebugs, fruit flies and earwigs. Thoroughly spray all areas of the plant, especially new shoots and underside of leaves. Pests need to be contacted by the spray to be controlled. For use only on home lawns and gardens. Not for use on agricultural establishments growing agricultural crops or commodities for resale.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION.
Cause moderate eye irritation. Avoid contact with eyes. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS
This product is toxic to aquatic organisms including fish and invertebrates. Do not contaminate water when disposing of equipment, washwater, or rinsate. Do not apply directly to or near water. drift and run-off may be hazardous to fish in water adjacent to treated areas. See Directions for Use for additional precautions and requirements.

PHYSICAL OR CHEMICAL HAZARDS
Combustible. Do not use or store near heat or open flame.

User Safety Recommendations
- Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, or using tobacco, or using the toilet.
- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID
- IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

For additional information on this pesticide product, you may call the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment information.
USE RESTRICTIONS:
- Do not apply directly to or near water, storm drains, or drainage ditches. Do not apply when windy. To prevent product runoff, do not exceed 1/10 gallon per 1,000 square feet or apply prior to heavy rainfall.
- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Do not allow adults, children or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Remove pets, birds, and cover aquariums before spraying.
- Remove or cover exposed food and drinking water before application. Remove or cover clothes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Do not apply more than 10 times per season.
- Do not apply within 3 days except under extreme pest pressure. In case of extreme pest pressure do not apply within 24 hours.
- Do not apply more than 1 time per day.
- Do not apply more than 18.5 fl. oz. per 100 square feet per application.
- Do not use if temperatures are expected to be over 90°F.
- Do not spray plants with Earth-Bak 301 Disease Control within 21 days of an oil spray.
- Some varieties of grapes and cucurbits are sensitive to sulfur and some plant damage may occur.
- Use care or do not spray on sulfur sensitive plants. If not sure, test spray a few leaves 2 days before spraying the entire plant.
- Do not apply to strawberries that will be used for canning.
- Do not spray the treated areas to point of runoff or drip.
- Do not make applications during rain.
- Do not wet plants to point of runoff or drip.
- Not for use in indoor residential mining systems.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store at room temperature and protect from freezing.
PESTICIDE DISPOSAL AND CONTAINER HANDLING:
If empty, Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
