DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS
SHAKE WELL BEFORE USE:
1. Hold bottle upright about 6 inches from pet.
2. Spray lightly until the tips of the pet's hair are moist. Keep spray out of pet's eyes.
3. Rub spray into animal's coat. For longhaired dogs, ruffle fur to allow spray to reach skin.
4. After 10 minutes, dry dog with towel.
5. Comb and brush coat.
6. Repeat once a week.
7. If you see a tick, spray it directly.
8. Use on bedding and other areas as needed.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Pesticide Storage: Store this product in a cool, dry place that is inaccessible to children.
Pesticide Disposal: Empty Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.
If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed or absorbed through skin. Causes respiratory irritation. Avoid contact with eyes, skin, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Do not use on puppies less than 12 weeks old. Do not spray in eyes. To prevent harm to you or your pet, read entire label before use. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing, or medicated animals. Sensitivity may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic invertebrates. Use in a manner other than that described by this label could result in harm to aquatic invertebrates.

FIRST AID: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a Poison Control Center or doctor for treatment advice.
If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.
If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.
Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.
You may also contact 1-800-275-1414 for emergency medical treatment information.

NOTE TO PHYSICIANS AND VETERINARIANS:
This product contains tetachlorvinphos (an organophosphate), which is a cholinesterase inhibitor. Cholinergic symptoms may include salivation, miosis, incoordination, muscle fasciculation and/or weakness, vomiting, and diarrhea. Atropine is antidotal. 2-PAM may be effective as an adjunct to atropine.
Call a Poison Control Center for further information.
