DOGS

CAUTION

DO NOT USE ON CATS–MAY BE FATAL

Read all directions before using this product. See back panel for precautionary statements.

Hazards to Humans: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash aged or medicated animals, pregnant or nursing pups. Consult a veterinarian before using on dogs with known organ dysfunction. Skin sensitivity, increased itchiness, redness, rash, hair discoloration or hair loss at the application site and lethargy. Mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Signs of sensitivity include discomfort. Gastrointestinal signs have also been reported. If these or other side effects occur, consult your veterinarian.

DO NOT USE ON CATS. May be toxic or potentially fatal if applied to or ingested by cats. Accidental application to cats and/or grooming a recently treated dog’s face and body. Break off tip or cut with scissors. Part dog’s hair between shoulder blades. Apply Freedom 45 Spot-On for Dogs by gently squeezing the applicator. Part dog’s hair between shoulder blades.

45

PREVENTS RE-INFESTATION OF FLEAS* & TICKS †

DO NOT USE ON CATS–MAY BE FATAL

Keep cats away from treated dogs for 24 hours. If applied to or ingested by a cat, contact your veterinarian immediately.

FIRST AID IF ON SKIN OR CLOTHING:

• Call a poison control center or doctor immediately for treatment advice.

• Do not induce vomiting unless told by a poison control center or doctor.

• Take off contaminated clothing.

FIRST AID IF IN EYES:

• Hold eye open and rinse slowly and gently with water for 15-20 minutes.

• Call a poison control center or doctor for treatment advice.

CHEMICAL HAZARDS:

This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow it to enter drains, drainage ditches, gutters or surface waters. Do not allow it to come into contact with or enter soil adjacent to any water course.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry (preferably locked) place, away from heat or open flame, in an area that is inaccessible to children and animals.

Wastes resulting from the use of this product may be harmful to the aquatic environment and may be toxic to non-target organisms.

CONTAINER HANDLING (tubes) If empty:

• Call your local solid waste agency for disposal instructions.

• Never place unused product down any indoor or outdoor drain.

• If partially filled, call your local solid waste agency for disposal instructions.

**WARNING**

**HOT LINE NUMBER:**

Have the product container or label with you when calling a poison control center for information on pesticide product (including health concerns, twenty-four (24) hours per day, seven (7) days per week.

This product contains an insecticide which should not be handled by persons with dermatitis or any other condition which may be made worse by contact with a pesticide.

**DO NOT USE AROUND CHILDREN OR ANIMALS.**

See back panel for precautionary statements.

**READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.**
