PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
Caution: Harmful if inhaled or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing dust, vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Wear the appropriate Personal Protective Equipment

PERSONAL PROTECTIVE EQUIPMENT
Applicators and other handlers must wear:
• Long pants and long-sleeved shirt.
• Shoes plus socks.
• Protective eyewear.
• Waterproof gloves.
• Dust/mist-filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any N. R. P. or HE filter.

Follow manufacturer’s instructions for maintaining/cleaning personal protective equipment (PPE). If no such instructions for washables, use hot water and detergent. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS
Users should:
  o Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
  o Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
  o Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS
For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. See enclosed pamphlet for Directions for Use.
**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read, understand and follow the precautions and directions on the labeling before using. For any requirements specific to your State or Tribe, consult the State or Tribal agency responsible for pesticide regulation.

For Nursery and Greenhouse Use Only

### AGRICULTURAL USE REQUIREMENTS

Use this product in accordance with its labeling and with the Worker Protection Standard, 40 CFR 170. This Standard contains requirements for the protection of agricultural workers on farms, forests nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this labeling about personal protective equipment and restricted-entry intervals. The requirements in this box only apply to the uses of this product that are covered by the Workers Protection Standard (WPS). Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

**Do not enter or allow worker entry into treated areas during the restricted-entry interval (REI) of 0 hours unless wearing appropriate PPE.**

Handlers and Applicators must wear the personal protective equipment (PPE) listed in the Precautionary Statements.

### NON-AGRICULTURAL USE REQUIREMENTS

The requirements in this box apply to uses of this product that are not within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries or greenhouses.

Keep unprotected persons out of areas while treatment is in progress.

### APPLICATION INFORMATION

Use RAPIDGROW® ROOTBURST POWDER (0.8%) to propagate new plants from cuttings. RAPIDGROW® ROOTBURST POWDER (0.8%) treated cuttings can be expected to produce uniform roots resulting in beautiful, symmetrical plants.

RAPIDGROW® ROOTBURST POWDER (0.8%) is for use on most home, tropical, greenhouse and nursery plants. This includes herbaceous and soft wood cuttings.
RAPIDGROW® ROOTBURST POWDER can be used on the following plants:

Take as much powder as you will need from the package and place in a small bowl or other container. **Do not contaminate stock container by returning used portion to product package.** Dispose of un-used portion as described in the ‘Storage and Disposal’ statements on this label.

1. Take plant cuttings. For woody cuttings, make a 3/4 inch notch at base of cuttings.
2. Dip the base of the cuttings 3/4 inch into the RAPIDGROW® ROOTBURST POWDER (0.8%) powder. Tap off excess powder.
3. Plant the cuttings immediately in a moist growth medium. Avoid contact between the powder and foliage and other over ground parts of the stem.
4. Care for cuttings as appropriate to the plant variety.
STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a dry, cool place. Keep in original container.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling if available, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY
To the fullest extent permitted by law, neither the manufacturers nor the seller make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instructions. Read and follow the label directions carefully.
