Precautionary Statements
Hazards to Humans and Domestic Animals - Caution: Harmful if swallowed. Avoid contact of mouth, skin, or eyes with the evaporation holes. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

Directions for Use
It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

Mosquitoes are not only a nuisance; they may transmit diseases that are a serious health threat to people and pets. The NOSQUITO by Stinger 2-in-1 Power Bait has 2 active ingredients designed to attract a wider range of mosquitoes, including those which may transmit West Nile Virus, encephalitis, and other diseases, away from you and your family to devices that will trap and kill these pests. This lure is intended for use with Stinger and NOSQUITO Mosquito Killers, Stinger and NOSQUITO Mosquito Vacuums. The lure has a slow release and will emit an octenol and lactic acid-scented bait continuously for 30 days.

To Install or Replace the Nosquito by Stinger 2-in-1 Power Bait
1. Activate lure cartridge by snapping the cartridge in halfway. Hold over and secure both ends securely by interlocking the two small ridges found at either ends.
2. For Mosquito Vacuum, open lure chamber by pulling door open at the bottom of exhaust ring. Fit the lure cartridge into the chamber and push the lure door closed until it locks in place.
3. For NOSQUITO Killer, open the lure door and slide the lure cartridge into the holder found on the inside of the door.
4. Replace lure cartridge after 30 days.

Storage and Disposal
Do not contaminate water, food, or feed by storage and disposal.
Storage: Store unopened attractant cartridge in cool, dry place.
Disposal: Do not reuse attractant cartridge. Dispose of used attractant cartridge in the trash.

Warranty and Disclaimer: Kay USA Inc. makes no warranty of merchantability, fitness for any particular purpose or otherwise, express or implied, concerning the product or its uses which extend beyond the use of the product under normal conditions in accordance with the statements made on this label.
