* MGK 264* Insecticide Synergist
** Contains petroleum distillates

**16 oz (454 g)**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

See back panel for additional Precautionary Statements

---

**FIRST AID**

Call a poison control center or doctor immediately for treatment advice.

**IF ON SKIN OR CLOTHING**
Take off contaminated clothing.

Rinse skin immediately with plenty of water for 15-20 minutes.

**IF IN EYES**
Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**IF SWALLOWED**
Immediately call a poison control center or doctor.

Do not induce vomiting unless told to do so by a poison control center or doctor.

Do not give any liquid to the person.

Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-241-9545 for emergency medical treatment information.

**Note to Physician:** Contains petroleum distillates, Vomiting may cause aspiration pneumonia.

**PHYSICAL AND CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Protect from freezing.

**SHAKE WELL BEFORE USING DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**PRECAUTIONS AND RESTRICTIONS**

For indoor use only.

Do not allow adults, children, or pets to enter or contact the treated area/surfaces until spray has dried.

Do not wet articles to point of run off or drip. Do not use treated article until spray has dried.

Remove or cover exposed food and drinking water before application.

Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. Do not apply while food processing, preparation, or serving is underway.

**INDOORS:** Thoroughly vacuum all carpeting, upholstered furniture, drapes, along baseboards, under furniture and in closets. Seal vacuum bag and dispose of in outdoor trash. Apply Mycodex® Plus Environmental Control™ Aerosol Household Spray from a distance of two to three feet from surface being treated. Apply with a smooth back-and-forth motion to carpets, drapes, rugs and upholstered furniture. Avoid wetting or saturating carpets or furniture. An evenly applied fine mist spray is sufficient. To apply at the maximum application rate, use 2 oz (a 30 second spray) to cover 125 sf. Do not spray wood furniture, floors or trim as water spotting may occur. Repeat treatment as necessary to eliminate fleas and ticks. Apply directly to exposed insects: roaches, ants, spiders, crickets, centipedes, waterbugs, silverfish and sowbugs.

**PET BEDDING:** Treat pet bedding and resting places. Apply a uniform spray to nearby cracks and crevices, along baseboards, window and door sills and localized areas where fleas, ticks or lice may be present as these are primary hiding places for these pests. Removal and replacement of pet bedding after treatment is not necessary.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Store in a cool, dry area out of the reach of children. Protect from freezing. Pesticide disposal and container handling: Do not puncture or incinerate! If empty: Place in trash or offer for recycling. If partly filled: Call your local solid waste agency for disposal instructions.

**In case of emergency, or for questions or comments, call 1-888-241-9545.**
