CAREFUL READERS STATEMENT

Labels and labeling for the ZP Rodent Oat BAit AG™ product are intended to comply with all applicable federal and state laws and regulations and contain all the information required by law. In the event of a conflict between the labeling and the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) or any state or local laws or regulations, the labeling shall govern. The ZP Rodent Oat BAit AG™ product is registered for use under the restrictions and conditions set forth on the labeling. Always read and follow the directions on the product label. The labeling for ZP Rodent Oat BAit AG™ is subject to change. The registrant recommends that users refer to the labeling on the product for the most current information.

FIRST AID

In case of ingestion or skin contact, call a poison control center or your doctor immediately for treatment or transport to a hospital.

IF SWALLOWED:

Do not attempt any emesis or induce vomiting without medical supervision. If vomiting occurs, wash the mouth out with water and give a small amount of water or milk to rinse the mouth.

IF INHALED:

Remove victim to fresh air and keep warm. If breathing is difficult, give artificial respiration. If breathing stops, give artificial respiration. Call a doctor immediately.

IF SKIN CONTACT:

Remove contaminated clothing and immediately wash the skin with plenty of soap and water. If skin irritation occurs, wash the affected area with soap and water.

IF EYES CONTACT:

Clean the affected eye with plenty of water for at least 15 minutes and seek medical treatment.

PRECAUTIONARY STATEMENT

Avoid contact with skin or eyes. Wash thoroughly after handling. Wash hands after handling and before eating, drinking, or smoking. Do not inhale. Keep out of reach of children.

MAINTAIN AND PROTECT CERTIFIED INTENDED USERS

1. Read and follow label directions. 2. This product is intended for the use of Certified Agricultural only. 3. Keep out of reach of children and pets. 4. Do not contaminate feed, water, and other foodstuffs. 5. Apply only as directed. 6. Placement of the bait shall be at intervals of 100 ft. 7. Do not allow children or pets to drink water used for baiting. 8. Do not use if contaminated. 9. Do not dispose of this product in ditches, streams, ponds, or anywhere else.

STORAGE AND DISPOSAL

Store in a cool, dry place. Do not store in direct sunlight. Store beyond the reach of children and pets. Do not contaminate feed, water, and other foodstuffs.
