Additional Information

- This kit contains 3 products for complete lice control for your family and home. The 4 oz bottle of shampoo and 2 oz tube of gel are for the scalp. The 2 oz comb-out gel is for bedding and furniture. The 2-ounce bottle of Lice Killing Shampoo is for the scalp and the 4-ounce bottle is for applications on the scalp and clothing.
- Make sure you comb your hair from the back of the head to the front. Start at the nape of the neck and work your way up to the crown. Do not leave any section of your hair unattended. Use a strong, even motion away from your scalp.
- Apply Lice Killing Shampoo to your scalp and clothing according to Directions for Use. After 10 minutes, rinse your hair thoroughly with water and shampoo. Do not store the shampoo under 32°F (0°C).

Other information:
- Keep out of reach of children.
- If swallowed, get medical attention right away.
- If inhaled, get fresh air. If person is not breathing, call 911 or an ambulance, then give mouth-to-mouth, if possible.

Personal protective equipment (PPE):
- Wear protective clothing and gloves when using Lice Solution Kit.

Environmental Protection Agency (EPA) registration number:
- EPA 84522-0-15319

Benzyl alcohol:
- Benzyl alcohol is a preservative that is used in many household products.

Fragrance:
- Fragrance is a blend of natural and/or synthetic materials that gives Lice Solution Kit its pleasant smell.

Shake well before using.
