**APPLICATION INSTRUCTIONS—LANDSCAPE ORNAMENTALS**

ALOFT GC G is a systemic, contact and soil surface product that controls insects feeding through the plant system. ALOFT GC G is a systemic product and will be translocated upward into the plant system from root uptake. It must be placed in an area where the roots can absorb the active ingredient. It may take several months for the active ingredient to move from the root zone to the area of the trees where the insects are feeding.

To contain a spill:

- Do not accept the product at the spill.
- Wear protective clothing and safety equipment when working with the soil and when applying the product.
- Clean up any spilled material and move it to an appropriately labeled container for disposal.
- Do not contaminate waterways.

**STORAGE AND DISPOSAL**

ALOFT GC G is a toxic product. Use extreme caution and handle carefully to avoid exposure to humans and animals. Store in original container only. Open the product container carefully and after use, seal tightly.

**PESTICIDE STORAGE:** Store in a cool, dry place away from food and water. Keep out of reach of children.

**PESTICIDE DISPOSAL:** In the event of a spill or injury, seek medical assistance immediately. Do not use the product until the instructions have been read and understood. The instructions for use must be kept with the product and must be available to the user for future use.

**RESPONSIBILITY:** The user is responsible for the safe use of this product. The user assumes all risks and liabilities, and indemnifies any and all parties for any claims, damages, or injuries caused by the use of this product.

**INTEGRITY OF INSECTICIDE:** The insecticide must be applied according to the instructions on the label. The insecticide must be applied to the area where the insects are feeding.

**WARRANTY AND DISCLAIMER:** Arysta LifeScience Corporation makes no warranty, expressed or implied, with respect to the product or the use thereof. Arysta LifeScience Corporation is not responsible for any damage caused by the use of this product. Arysta LifeScience Corporation is not responsible for any loss or damage caused by the use of this product.
