FIRST AID

If in eyes:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

If swallowed:
• Call poison control center or doctor immediately for treatment advice.
• Have person sip a glass of water if able to swallow.
• Do not induce vomiting unless told to do so by the poison control center or doctor.
• Do not give anything by mouth to an unconscious person.

If you suspect a reaction to this product:
• Discontinue use.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS

EXTREMELY FLAMMABLE: Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not expose treated skin or clothing to fire, sparks or flame until liquid has evaporated.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply more than 3 times per day to children ages twelve (12) and under. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. Do not spray in enclosed areas. If used on the face, spray hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Remove protective cap, and spray from a distance of 8-12 inches from surface to be protected.

FOR EXPOSED SKIN AREAS, FOR OUTER SURFACES OF CLOTHING, to repel flies, gnats, and mosquitoes: Use as directed above.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon. Exposure to temperatures above 130°F may cause bursting. May damage some plastics, varnished or painted surfaces. May be used on Nylon, Orlon®, Wool, Cotton. DO NOT USE on Rayon, Spandex or Dynel™.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency 1-800-CLEANUP for disposal instructions.

See the Safety Data Sheet for more information.
