**Verbenone Pouch Pine Beetle Repellent**

**PHEROMONE PROTECTANT**

For use on individual trees or stands

*Each pouch contains 7 grams of verbenone.

**For terrestrial uses:** Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark, except under forest canopy. Do not contaminate water when disposing of equipment washwaters or drainages.

**APPLICATION RATE**

- **DIRECTIONS FOR USE:**
  - Prior to use, open storage bag in a well-ventilated area and allow pouches to equilibrate with temperature of area to be treated.
  - Use at maximum reach of pouches.

**APPLICATION DIRECTIONS**

- **For individual living trees,** staple one pouch at maximum reach from the ground on the north face, or two pouches, one at 6 feet and one at 12 feet above ground on the north face.
- **For trees in a stand,** staple one pouch per tree or group of trees at maximum reach from the ground on the north face. Apply a minimum of two pouches per tree. Apply to all conifer species and to other tree species as appropriate.

**HOST TREE STANDS:**

Stand containing pine trees, including:
- Limber, limberjack, lodgepole, piñon, ponderosa, shortleaf, Virginia, western whitepine, white, whitebark, or pine trees of any species.
- Use on trees in forests, municipal and shade tree areas; recreational areas such as campgrounds, golf courses, parks and parkways; ornamental and shade tree plantings; suburban areas; and rights of way and other easements.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION:**

- Harmful if swallowed or absorbed through skin, or inhaled. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Causes moderate eye and skin irritation. Avoid contact with skin, eyes, and clothing. Avoid breathing vapors. Avoid contact with contents of pouch. Do not puncture pouch. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse.

**ENVIRONMENTAL HAZARDS:**

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark, except under forest canopy. Do not contaminate water when disposing of equipment washwater or drainages.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:**

Store in sealed storage bag in a cool, dry place. Store below 32ºF (0ºC) or as cold as possible.

**Pesticide Disposal:**

Wastes resulting from the use of this product may be disposed of in an approved waste disposal facility. Do not reuse or refill this container. Place empty bag in trash.

**WARRANTY STATEMENT:**

Contech Enterprises Inc. certifies that this product meets and conforms to the description on this label. No other warranty expressed or implied is made. Contech Enterprises Inc. will not be held liable for incidental, consequential or special damages resulting from the handling, storage or use of this product not in strict accordance with the directions given herewith.
