WARNING - AVISO
KEEP OUT OF REACH OF CHILDREN
Si usted no entiende, busque a alguien para que le explique a usted en detalle.

FIRST AID STATEMENT
Call a poison control center or doctor for treatment advice.

If in Eyes:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses. If present, after the first 5 minutes, then continue rinsing eye.

If on Skin or Clothing:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.

ENVIRONMENTAL HAZARDS
For terrestrial uses only. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsates.

DIRECTIVES FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only trained handlers may be in the area during applications. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

AGRICULTURAL USE REQUIREMENTS
Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), notification to workers and restricted-entry interval. The requirements in this box apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow worker entry into treated areas during the restricted-entry interval (REI) of 24 hours.

PPE required for early entry to treated areas is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil or water is:
- Coveralls worn over short-sleeved shirt and short pants
- Socks
- Chemical resistant footwear
- Chemical resistant gloves

APPLICATION INSTRUCTIONS
For commercial grower use. For use on ornamental plants, turfgrass and landscape hedges. Use in small quantities on houseplants. Not for use on grass. Do not dilute Hormogel® nor Hormogel® into a small container. Quick dip the cutting, hold the cutting before sticking in the media and keep moist for 10-15 minutes  to help Hormogel® penetration. Keep the cuttings moist by misting. Start watering after 12 to 24 hours.

Tips to Enhance Rooting: Make a 1/2 to 1/4 inch longitudinal wound on the site of the cuttings with a sharp knife to expose cambium. Cover the cuttings with moist cloth and hold for 15 to 20 minutes before sticking. After sticking, cover the cuttings with porous Geotextile fabric such as Rammy or 3 weeks. Keep moist and water when needed. Do not drench the cuttings with fungicides until roots form. Some fungicides can inhibit root formation. For hard to root plants, leave the cuttings in the Hormogel® for 5 to 15 minutes or longer before sticking. Always do a small test before large scale use. Bottom heat is helpful during cold weather. Water carefully to prevent root diseases. Do not pour Hormogel® back into original container.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE — Store in original container in cool, dry, locked place out of reach of children and pets.

PESTICIDE DISPOSAL — Waste resulting from use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER DISPOSAL — Non-refillable container. Do not reuse or refill container. Triple rinse container (or equivalent) promptly after emptying. Then offer for recycling if available, or record keeping, if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

WARRANTY STATEMENT
To the extent allowable by state law, the Seller makes no warranty or guarantee of any kind, expressed or implied, concerning the use of this product other than specified on this label. Buyer accepts all responsibility for results due to misuse or improper handling of this product.
