WEED & FEED

This product is a premium grade herbicide and turf food combination which provides an extremely wide spectrum of broadleaf weeds while providing both a nitrogen and phosphorus source.

Guaranteed Analysis:

- Total Nitrogen (N) - 15.0%
- 11.7% Ammonium Nitrogen
- 13.83% Urea Nitrogen
- Available Phosphate (P2O5) - 3.0%
- Soluble Potash (K2O) - 5.0%

Derived from AMMONIUM PHOSPHATE, MURIATE OF POTASH, POLYMER COATED UREA, UREA

*3.00% Slowly Available Urea Nitrogen from Polymer Coated Urea

Chlorine (Cl), not more than - 6.0%

Gravity 1.000.000

Item Number 100206192

Keep Out of Reach of Children

Caution: Prevent accidental ingestion.

Precautionary Statements

Hazard Group 1: Harmful to humans and animals

Health Hazard: Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing.

Inhalation Hazard: Immediate effects may include dizziness, headache, and fatigue.

Fire Fighting

Flammable Liquid

For the preparation of this product, please refer to the safety data sheet available on the internet at http://www.azifos.org/sheets.html.

First Aid

Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-325-1840 for emergency medical treatment information.

Storage and Disposal

Do not contaminate water, food, or feed with storage or disposal.

Pesticide Storage: Always use original container to store pesticides in a secure warehouse or storage building. Do not stack more than two pallets high or more than two pallets wide. Do not store next to chemicals, fertilizers, or fuel.

Disposal: Do not dispose of pesticides in the waste system. Dispose of all unused pesticides in the waste system. For use of pesticides, contact your local agricultural extension office or your state agricultural extension office.

Warranty

This product is protected by U.S. Patent No. 6,575,831. No license granted under any United States Patent.
