**PRECAUTIONARY STATEMENTS**

**Hazard to HUMANS and DOMESTIC ANIMALS.**

Keep out of reach of children. Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. May be fatal if absorbed through the skin. Harmful if swallowed. Wear gloves and face shield or splash shield, rubber gloves, and protective clothing. Remove contaminated clothing and wash before reusing. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco.

**ENVIRONMENTAL HAZARDS.**

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, or other bodies of water. For California, use this product only as directed and in accordance with the California Agricultural Low Volume Discharge Elimination System (CALDES) permit. For Nevada, use this product only as directed and in accordance with the Nevada Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewage systems without prior notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**FIRST AID.**

Have the container or label with you when calling a poison control center or doctor, or going for treatment.

If in eye - immediately open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing for an additional 5 minutes. Call a poison control center or doctor for treatment advice.

If on skin - wash off contaminated clothing. Then wash skin with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed - do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**NOTICE TO PHYSICIAN:**

Probable mucosal damage may contraindicate the use of gastric lavage.

**STORAGE AND DISPOSAL.**

Do not contaminate water, food, or feed by storage or disposal. Wash equipment and disposal sites with soap and water after use. Incompatible with food or feed, oil, fuel or gasoline. Do not contaminate water, food, or feed by storage or disposal. Do not apply directly to waters of a lake, stream, pond, spring, or other bodies of water or to any place from which water may be pumped. Do not contaminate water, food, or feed by storage or disposal. For California, refer to the State Water Board for specific storage and disposal requirements. For Nevada, refer to the Nevada Pollution Control Division for specific storage and disposal requirements. Do not contaminate water, food, or feed by storage or disposal.
