HILLIARD QUICK & CLEAN® GERMICIDAL DISINFECTANT WIPES

Hilliard Quick & Clean® Germicidal Disinfectant Wipes are intended for use in health care, health care facilities, hospitals, clinics, food service areas, and any other environment in which a safe, effective and quick disinfectant is desired. These wipes contain active ingredients that are effective against a broad range of microorganisms, including viruses, bacteria, and fungi. They are easy to use and can be used on a variety of surfaces to keep them clean and free of germs. The wipes are also designed to be biodegradable, making them an environmentally friendly option for maintaining a clean and healthy environment.

DIRECTIONS FOR USE

1. Remove the wipes from the pouch and apply to the surface to be treated.
2. Thoroughly wipe the surface with the wet wipe until the desired level of cleanliness is achieved.
3. Dispose of the used wipe in the trash after use.

CARES

Do not use on surfaces that are sensitive to alcohol. Avoid contact with eyes, mouth, and mucous membranes. Wash hands thoroughly with soap and water after handling the product.
