Do not contaminate water, food, feed, food or feed handling equipment, milk, meat or meat handling equipment, or any area where there is a possibility of contamination. Do not use in edible product areas of food or feed processing plants or other areas where surface water is present or to intertidal areas below the mean high water mark. This product may only be used in and around homes, and agricultural buildings.

Do not sell this product in individual containers holding less than 16 pounds of bait.

This product is toxic to fish, birds and other wildlife. Dog and predatory scavenging mammals and birds might be poisoned if they feed upon animals that have eaten bait. Do not apply this product directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark.

Note: Buyer assumes all risks of use, storage or handling of this product not in accordance with label directions. Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

STORAGE AND DISPOSAL
Do not contaminate water, food, feed, food or feed handling equipment, milk, meat, or meat handling equipment, or any area where there is a possibility of contamination. Do not use in edible product areas of food or feed processing plants or other areas where surface water is present or to intertidal areas below the mean high water mark.

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals.

Pesticide Disposal: Washes resulting from the use of this product may be placed in trash or delivered to an approved waste disposal facility.

Container Handling: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incineration.

PRECAUTIONARY STATEMENTS:

Hazard to Humans and Domestic Animals
CAUTION: Harmful if swallowed. Keep away from children, domestic animals and pets. All handlers (including applicators) must wear shoes plus socks, and gloves. Anyone who retrieves carcasses or unused bait following application of this product must wear waterproof gloves.

User Safety Requirements: Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash hands thoroughly after applying bait and before eating, drinking, chewing gum, using tobacco or using the toilet and change into clean clothing.

Have label when obtaining treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice.
Have person sip glass of water if able to swallow.
Do not induce vomiting unless told to do so by the poison control center or doctor.

Treatment for pet poisoning: If animal eats bait, call veterinarian at once.
Note to Physician or Veterinarian
Anticoagulant Difenoacoum: If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. For Humans or Dogs that have ingested this product and/or have obvious poisoning symptoms (bleeding or prolonged prothrombin times), give Vitamin K1 intramuscularly or orally. For Dogs, check prothrombin times every 3 days until values return to normal (up to 30 days). Blood transfusions may be needed.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds and other wildlife. Dog and predatory scavenging mammals and birds might be poisoned if they feed upon animals that have eaten bait. Do not apply this product directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in accordance with label directions. Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
