SENTRY Natural Defense® Natural Flea Shampoo for Cats & Kittens has the proven and long-lasting ability to kill adult fleas using natural ingredients, providing a fresh spice fragrance while, at the same time, killing unwanted pests.

DIRECTIONS FOR USE
Read entire label before each use and use only in accordance with label instructions.

For use on cats and kittens. Do not use on kittens under the age of 12 weeks. Wet cat's coat thoroughly. Pour this product into the cup of your hand. Starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into cat's coat down to the skin. Allow lather to stand five minutes, then rinse completely and towel dry. It should not be necessary to repeat the shampoo application unless the animal is excessively dirty. For maximum effectiveness, we recommend applying the shampoo once a week.
