SENTRY Natural Defense®
Natural Flea Shampoo for Dogs & Puppies

READ ENTIRE LABEL BEFORE EACH USE.
SHAKE WELL BEFORE USING.

If you're concerned about the safety of the products you have in your home, here's comforting news. SENTRY Natural Defense® Natural Flea Shampoo for Dogs & Puppies has the proven ability to kill adult fleas using natural ingredients, providing a fresh spice fragrance while, at the same time, killing parasitic pests.

DIRECTIONS FOR USE
Read entire label before each use and use only in accordance with label instructions. Do not use on puppies under the age of 12 weeks. Wet dog's coat thoroughly. Pour this product into the cup of your hand. Starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into dog's coat down to the skin. Allow lather to stand five minutes, then rinse completely and towel dry. It will not be necessary to repeat the shampoo application unless the animal is excessively dirty.

For maximum effectiveness, we recommend applying the shampoo once a week.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION • KEEP OUT OF REACH OF CHILDREN

TO HUMANS:
Avoid contact with eyes. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet.

TO DOMESTIC ANIMALS:
Do not apply product directly into eyes, mouth or genitalia of dogs. Do not use in or near vicinity of ponds or streams. Consult a veterinarian before using this product on pregnant or nursing dogs. Sensitivities may occur after using any pest control product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID
IF IN EYES - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses (if present), after the first 5 minutes, then continue rinsing eye.

HOT LINE NUMBER - Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-781-4738 for emergency medical treatment information.

STORAGE AND DISPOSAL
PESTICIDE STORAGE:
Store only in original container in a cool, dry area inaccessible to children and pets.

CONTAINER DISPOSAL:
Nonrefillable container. Do not reuse or refill this container. If empty, place in trash or offer for recycling, if available. If poorly filled, call your local state tire waste agency for disposal instructions. Never place empty product near any indoor or outdoor deck.

See back panel for additional precautionary statements.
