Active Ingredient:
Glutaraldehyde

Inert Ingredients:

Total

100%

KEEP OUT OF REACH OF CHILDREN DANGER

FIRST AID

IF SWALLOWED:

- Call a poison control center or get medical help if you feel unwell, especially if you are feeling dizzy or vomit.

DO NOT INDUCE VOMITING.

Do not give anything to drink.

IF IN EYES:

- Wash immediately and continuously with flowing water for at least 30 minutes.
- Remove contact lenses after the first 5 minutes and continue washing.
- Obtain medical consultation, preferably from an ophthalmologist.

Do not rub the eye.

If a solution is used, have the person rinse out the eye with water by holding the lid open and tilting the head back slightly.

Do not put anything into the eye.

If contact continues, call a poison control center.

In case of contact with the eyes, immediately rinse it with plenty of water for at least 15 minutes.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.

- Rinse skin immediately with plenty of water for 15 to 20 minutes.

- Call a poison control center or get medical help if you feel unwell, especially if you are feeling dizzy or vomit.

Do not rub the area.

If a solution is used, have the person rinse the affected area with plenty of water for at least 15 minutes.

IF INHALED:

- Move person to fresh air.

- If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth-to-mouth if possible.

Do not give anything to drink.

- If a solution is used, have the person rinse the mouth and throat with plenty of water for at least 15 minutes.

- Call a poison control center or get medical help if you feel unwell, especially if you are feeling dizzy or vomit.

NOTE TO PHYSICIAN:

Aspiration may cause lung damage. Probable mucosal damage may contaminate the use of gastric lavage.

Have the MSDS and, if available, the product container or label with you when calling a poison control center.

IN CASE OF AN EMERGENCY and/or emergency care: refer to general advice for water emergencies, and/or call a poison control center.
