**ENVIRONMENTAL HAZARDS**

This product is basic to basic. Do not apply directly to water, or to areas where surface water is present or by aerial application below the mean high water mark. Cover all non-receptor areas. Do not contaminate water when cleaning equipment or equipment used in the application of this product.

Do not discharge coating effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority. Use a treated effluent discharge or treatment device to treat the coating effluent containing this product to a synergistic manner sufficiently qualifying the treated effluent for discharge or treatment.

The product and its degradation products are highly toxic to be exposed to direct treatment on flowering crops or weeds. Do not apply this product or allow it to drift to flowering crops or weeds while bees are actively visiting the treatment area.

**DIRECTIONS FOR USE**

Read entire label. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS AND WITH APPLICABLE STATE AND FEDERAL LAWS.

Not for use in feeding processes or in feed handling establishments. This product is not for indoor use as an insecticide.

**TANK MIXES**

NOTE: Tank mixing or use of this product with any other product which is not recommended for use in mixing with Orthene PCD or P24 is not recommended and shall be the exclusive risk of user, applicant and/or applicator.

Read and follow the entire label of each product to be used in the tank mix with this product.

**USE OF RECOMBINANT DNA BIOLOGICALS**

Use Orthene PCD Pellets for residual pest control in the areas listed by the label. Do not apply Bacillus thuringiensis, entomopathogenic nematodes, or other biologicals such as bivalent blue主角 or 4-methyl blue nematodes (or other) to Orthene PCD or P24 in a commercially approved applicator with any P,P-P or other另行.

Follow the manufacturer's instructions for cleaning/maintaining PPE. If no instructions for washdown, use detergent and hot water. Keep and wash PPE separately from other laundry.

**STORAGE AND DISPOSAL**

Do not contaminate water, feed or food by storage, disposal or cleaning of equipment.

**PESTICIDE STORAGE**

Storage in original containers. Do not put concentrate or dilute into food or drink containers. Store in a cool, dry place. For storage in original containers or in tanks, do not store feed or food in the same tank. For food, with any spill, keep food or enroute invoking this material, call day time (morn) - 1-800-662-6622. For waste or waste from the use of this or any other pesticide. Overdisposal is prohibited.

**CONTAINER HANDLING**

Hazardous waste: Do not rescue or refill this container. Completely empty bag into application equipment. After ensuring that both bags and pockets and water containers are empty, dispose of and clean in a trash container.

**LIMITED WARRANTY AND DISCLAIMER**

The manufacturer (s) of this product conveys to the consumer the chemical description on the label(s) the directions, warnings, and other statements on this label and any applicable regulations containing the regulations of reasonable test of effectiveness, of toxicity to birds, animals and to plants and residues on food crops, or upon repeated field exposed. Not have been made on all varieties of crops and plants, or in all states or under all conditions this warranty does not extend to the use of this product contrary to the label instructions, or under conditions not reasonably foreseeable. There are no express warranties other than those set forth herein. To the extent consistent with applicable law, the manufacturer neither makes nor extends, nor does it authorize any agent or representative to make any other warranties express or implied, and it expressly excludes and disclaims all implied warranties of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTY OF QUALITY OR PERFORMANCE. This warranty does not extend to, and the buyer shall be solely responsible for, any and all loss or damage which results from the use of this product in any manner which is inconsistent with the labeling, warnings or cautions. To the extent consistent with applicable law, the manufacturer neither extends to the extent consistent with applicable law, the manufacturer shall not be liable for special, indirect or consequential damages resulting from the use or handling of this product. AMVAC offers this product, and Buyer accepts and subject to the following Limited Warranty which may vary only in agreement in writing signed by an authorized representative of AMVAC.
