WHY USE THIS PRODUCT:
This product efficiently and economi-
cally reduces green and blue-green algae growth in pools. It will not harm pool surface or equipment.

IMPORTANT NOTES:
1. Always apply this and other pool treatment chemicals separately, never combine them.
2. When using other products as outlined in directions for this product, always follow directions on those products.
3. Sunlight, rainfall, temperature of water and frequency of pool use, all affect the rate of chlorine loss.
4. This product may form and technique should not be used for pool or spa treatment or in pools with attached spas or jetted returns.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in any manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

FOR INITIAL APPLICATION:
1. For initial application, or when visible algae is present, add 13 fluid ounces per 10,000 gallons of pool water by pouring this product directly into the water along the edge of the pool (in deep area if present). This will provide 2 ppm active ingredient in the water. With pump on, wait at least 15 minutes after application before entering pool.

2. If necessary, the next day, brush dead algae off pool surfaces and it can be filtered away. Repeat step 1 to remove additional algae.

MEASUREMENT APPLICATION:
To prevent algae growth add this product every 5-7 days or after heavy rain or a period of 3 days of continuous weather. Adjust pH to 7.2 - 7.6 by adding a pH increaser. Adjust alkalinity to 80-125 ppm for plaster pools, or test strip. Adjust alkalinity to 125-150 ppm for vinyl or fiberglass pools by adding a calcium hardness increaser. Adjust chlorines to desirable range of 1-3 ppm.

FIRST AID OF INGESTION:
Hold any open end three minutes and gently wash with water. Remove contact lenses. Follow with the next 2 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. IF ON SKIN OR CLOTHING:
Remove all contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. IF SWALLOWED:
Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Note to Physician:
Probable mucosal damage may contraindi-
cate the use of gastric lavage.  Note to Physician:
Probable mucosal damage may contraindi-
cate the use of gastric lavage.

Storage and Disposal:
This Product is toxic to fish and aquatic organisms.

PHYSICAL OR CHEMICAL HAZARDS:
Do not mix with other chemicals.

ENVIRONMENTAL HAZARDS:
This pesticide is toxic to fish and aquatic organisms.

Note: Buyer assumes all responsibility for safety and use not in accordance with directions.

CLOTHING:
Take off contaminated clothing. Rinse skin with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. IF ON SKIN OR CLOTHING:
Remove all contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. IF SWALLOWED:
Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. IF IN CASE OF MEDICAL EMERGENCY, CALL 1-877-800-5553.

FIRST AID: IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED:
Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a poison control center or doctor for further advice.

IF ON SKIN:
Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

STORAGE AND DISPOSAL:
Keep this product tightly closed in original container when not in use. Store in a cool, dry, well ventilated area out of reach from heat or open flame. CONTAINER DISPOSAL:
Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple rinse container (or equivalent) promptly after emptying.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS: KEEP OUT OF REACH OF CHILDREN. SWALLOWING: Causes irreversible eye damage and skin burns. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Wash hands and face with soapy, gentle, non-abrasive soap and water before handling. Remove contaminated clothing and wash before reuse.

ACTIVE INGREDIENTS:
Alkyl (50% C14, 40% C12,10% C16) dimethyl benzyl ammonium chloride.
