KEEP OUT OF REACH OF CHILDREN
CAUTION

22 FL OZ (646mL)
DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read the entire label before using the product. For use on hard, non-porous, not-food contact surfaces only. Use on porcelain, granite, brick, concrete, glazed ceramic tile, copper, glazed porcelain, stainless steel, brick, cultured marble, vinyl tile and synthetic marble. Do not use on glass, dishes and shelves or other food contact surfaces. Prior to disinfection or sanitization, remove dirt. Then fully open container cap. Allow 6 to 8 inches from surface. Spray 2 to 3 seconds until thoroughly wet and covered with mist. To disinfect: let stand for 10 minutes to air dry. Rinse not required. If desired, wipe with paper towel or clean dish towel. To sanitize: let stand for 5 minutes to air dry. Rinse not required. If desired, wipe with paper towel or clean dish towel.

To deodorize: spray on surfaces as needed. Let air dry. Do not use on paper, fabric, or acrylic fabrics. Pregis: Pregis offers a variety of disinfecting hard, nonporous surfaces in rooms as an adjunct following regular manual cleaning and disinfecting of room surfaces. SaniSpray 0070 ready-to-use product is recommended for use in fogging operations as a supplemental measure when after or after regular cleaning and disinfecting procedures. Pregis has not used fogging according to manufacturer’s use directions.

PREVENTIONAL STATEMENTS: Hazards to Humans and Domestic Animals.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. Keep out of direct sunlight and away from heat. Do not freeze. Store in original container in areas inaccessible to small children and pets. Non-refillable container. Do not reuse or refill this container. If product leakage or spill should occur, please clean with water and dry with absorbent material, or dries with water as it is flushed into waste water drain. Offer for recycling. If unused or discard in trash.
