Hazard labels:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

 Harmful if swallowed. Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

IF SWALLOWED

Call a poison control center or doctor immediately for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

IF IN EYES

Have the product container or label with you when calling a poison control center or doctor. Wear eye protection if you are wearing contact lenses, or if you suspect the chemical might be in your eyes. Wash your hands after providing first aid.

NOTE TO PHYSICIAN:

Contains petroleum distillates. Vomiting may cause aspiration pneumonia. Have the product container or label with you when calling a poison control center or doctor. Call a poison control center or doctor for further treatment advice.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE

SHAKE WELL BEFORE USE

USE ONLY ON DOGS

To be used as an aid in eliminating mites and ticks in the ears of dogs and for relief from itching caused by such conditions. Apply 5 drops into each ear twice daily until ticks and mites are eliminated. Do not allow children to apply this product. Use other EPA approved products for treatment of mites and ticks outside the ear.

USE RESTRICTION

Do not apply to pets less than 12 weeks of age. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:

Store in original container in a cool, dry area that is inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Nonrefillable container. Do not reuse or refill this container. If empty, place in trash or offer for recycling, if available. If partly filled, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

EARMITEfree

EAR MITICIDE FOR DOGS
