READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS OR PUPPIES OVER 7 WEEKS OLD

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial, but temporary eye injury, harmful if swallowed or absorbed through skin. DO NOT get in eyes or on clothing. Avoid contact with skin. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco products.

For external use on dogs only. Do not use this product on cats. Do not use this product on debilitated, aged, medicated, pregnant or nursing dogs, or dogs known to be sensitive to pesticide products without first consulting a veterinarian.

Sensitivity, such as slight transitory redness, rash or pruritus at the site of application, may occur after using ANY pesticide product for dogs. If signs of sensitivity occur, bathe your dog with mild soap or shampoo and rinse with large amounts of water. If signs of individual animal sensitivity occur and persist, contact your veterinarian.
Have the product container or label with you when calling your veterinarian for advice.

DO NOT USE ON CATS. Due to their unique physiology and inability to metabolize certain compounds, this product must not be used on cats. If applied to a cat, or ingested by a cat that actively grooms a recently treated dog, this product may have serious harmful effects. If this occurs, contact your veterinarian immediately.

FIRST AID

If in eyes: Hold eyes open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. If skin appears irritated after rinsing, call a poison control center, doctor, or 1-888-426-4435 immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may contact 1-877-972-3744 or after 6 pm EST call 1-888-426-4435 for emergency medical information.
DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labelling. (Precaución al consumir: si usted no lee inglés, no use este producto hasta que le haga una explicación ampliamente. (To the User: if you cannot speak English, do not use this product until the label has been fully explained to you.)

HOW TO APPLY:
1. USE ONLY ON DOGS. DO NOT USE ON CATS OR OTHER ANIMALS.
2. Remove applicator from package.
3. The dog should be standing or in a comfortable position for easy application.
4. Holding the applicator tube upright, pointing away from face, place thumb and index finger around the applicator tip under the large disk. With other hand, grasp the stem of applicator tip above smaller disk. Press down firmly on small disk until both disks meet, piercing the seal. See illustration.
5. Using the applicator tip, part the hair at the base of the tail and begin applying the product onto the skin in a continuous line from the base of the tail along the center of the back all the way up to the shoulder blades, as shown in the diagram, squeezing the applicator tube until it is empty. Do not make superfluous applications to the dog’s back.
6. Discard empty applicator tube as outlined in Storage and Disposal.
7. Repeat every month or as recommended by your veterinarian, but not more often than every 30 days.
8. For optimum treatment, control and prevention of adult and immature fleas, ticks, mites, lice, nits (excluding mange mites) biting and sand flies, year-round treatment is recommended.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage and disposal. Storage: Store in a cool, dry place. Protect from freezing. Disposal: If empty, do not reuse the container. Place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions. Never place unused products down any indoor or outdoor drain.

LIMITED WARRANTY AND LIMITATION OF DAMAGES
Seller warrants that the material conforms to the chemical parameters of the US EPA registration and the label. To the extent consistent with applicable law, Seller makes no warranty, express or implied, other than indicated on the label. Buyer and user assume all risk of use and handling of this material when such use and handling are contrary to the label instructions. To the extent consistent with applicable law, any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profit or values.

Volume varies with size of dog for which package is intended and number of applicators per package. Product may be packaged in 1, 4 or 8 applicators per package. Total volume will correspond to number of applicators.
