PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Hazards to Humans: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before setting, eating, drinking, cleaning utensils, or using tobacco. Remove and wash contaminated clothing before reuse. (Dermal or frequently repeated skin contact may cause allergic reactions in some individuals.)

Hazards to Domestic Animals: For external use on dogs only. Do not use on cats or theirilk. Ingestion can cause death or injury to animals. Consult a veterinarian before using this product on debilitated, aged or underweight animals, pregnant or nursing pets. Consult a veterinarian before using on dogs with known organ dysfunction. Sensitivity can occur after a single exposure. If signs of sensitivity occur, discontinue use. Bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Signs of sensitivity include skin irritation, increased salivation, redness, rash, hair loss or hair loss at the application site and dermatitis.

DO NOT USE ON CATS. 

ADDITIONAL INSTRUCTIONS ON USE TO CATS AND/OR GROOMING A recently treated dog may react in unusual or uncharacteristic muscle movements. If this occurs, immediate veterinary care should be provided.

INSTRUCTIONS FOR USE

If it is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT USE ON CATS.

Ready-to-use, no dilution necessary.

- Hold nose in each nostril gently, pushing away from nose of head and body. Sniff off tip or end with scissors. Apply LIBERTY 50 Plus IGR Spot-On for Dogs as follows by gently squeezing the applicator between the shoulder blades.

- Part dog's hair between shoulder blades.

- Apply the recommended amount of solution at the site on the dog's back between the shoulder blades. SEE RECOMMENDED DOSING GUIDELINES BELOW.

- For dogs over 110 lb, use two applicators.

FIRST AID

IF SWALLOWED:

- Call a poison control center or doctor immediately for treatment advice.

- Have person sip a glass of water if able to swallow.

- Do not induce vomiting unless told to by a poison control center or doctor.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.

- Rinse skin immediately with plenty of water for 15-20 minutes.

- Call a poison control center or doctor for treatment advice.

IF IN EYES:

- Hold open and rinse slowly and gently with water for 15-20 minutes.

- Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and other aquatic organisms. Do not allow treated dogs to go swimming for 17 hours following treatment.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

- PESTICIDE STORAGE: Store in cool, dry place, protected from freezing.

- PESTICIDE DISPOSAL: Call your local solid waste agency or EPA DEC office for disposal instructions. Unless otherwise instructed, place in trash. Never pour unused product down the drain or on the ground.

CONTAINER DISPOSAL (Nonhazardous):

- Follow all container manufacturer's directions.

- Do not reseal or refill this container.

- Place in trash or offer for recycling if available. If properly filled, call your local solid waste agency for disposal instructions.

- Never pour unused product down any drain or sink drain.
