Net Contents: 16 oz (454 g)

Adams™ Flea & Tick Home & Carpet Spray kills adult and pre-adult fleas. It contains an insect growth regulator (IGR) along with other ingredients to kill the adult fleas and prevent the adult fleas from developing into biting adults. Reaches the hiding places of the fleas: rugs, carpets, drapes, pet bedding, upholstery and furniture. Protects the household from buildup of fleas and infestations. One treatment protects for 210 days. Adams™ Flea & Tick Home & Carpet Spray kills fleas, ticks, roaches, ants, water bugs, silverfish, crickets, spiders, sowbugs, and carpet beetles.

**PRECAUTIONARY STATEMENTS—HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Repeated exposure to etofenprox can cause skin irritation.

**FIRST AID**

**IF ON SKIN OR CLOTHING**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for further treatment advice.

**NOTICE TO PHYSICIAN:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

**PHYSICAL AND CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate. Exposure to temperatures above 130°F may cause burning. Use adequate ventilation during use. Do not smoke while using this product. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not allow product to freeze.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**READ THE ENTIRE LABEL PRIOR TO USE. USE STRICTLY IN ACCORDANCE WITH ALL LABEL PRECAUTIONS AND DIRECTIONS.**

**SHAKE WELL BEFORE USE**

Do not allow children or pets to contact treated surfaces until spray has dried. Remove pets, birds, and cover fish aquariums before spraying. Cover all food processing surfaces and utensils during treatment or wash thoroughly before reuse. Cover or remove exposed food.

**Indoors:** Thoroughly vacuum all carpeting, upholstered furniture, along baseboards, under furniture, and in closets. Seal vacuum bag and dispose of in trash outdoors. Spray Adams™ Flea & Tick Home & Carpet Spray from 2 ft to 3 ft away from surface being treated. Apply with a smooth back-and-forth motion to carpets, drapes, rugs, and upholstered furniture. Avoid wetting or saturating of carpets or furniture. A fine mist spray that is evenly applied will do the job properly. Do not spray wood furniture, floors, or trim as water spotting may occur. Repeat treatment as necessary to control fleas and ticks.

Apply directly to exposed insects - roaches, ants, spiders, crickets, water bugs, silverfish, sowbugs, and carpet beetles. Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices, along baseboards and door sill and frames, behind sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and other utility installations. Directly spray pest products out of hidden places. Spray ant trails, nests and points of entry. Repeat as necessary.

**On Pet Bedding:** Treat pet bedding and rest areas. Apply a uniform application of Adams™ Flea & Tick Home & Carpet Spray to nearby cracks and crevices, along and behind baseboards, window and door sills, and localized areas of floors where fleas or ticks may be present as these are primary hiding places for fleas. Pet bedding does not need to be removed after treatment.

**Indoor Kennels:** Remove pets before spraying. Spray Adams™ Flea & Tick Home & Carpet Spray from 2 ft to 3 ft away from surface being treated. Apply with a smooth back-and-forth motion. A fine mist spray that is evenly applied will do the job properly. Repeat treatment as necessary to control fleas and ticks.

**STORAGE AND DISPOSAL**
Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Do not store near heat or open flame. Store in cool, dry area away from children.

**CONTAINER DISPOSAL:** Do not puncture or incinerate! If empty, Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

For information, or in case of an emergency, call 800-234-2269.
