PRECAUTIONARY STATEMENTS

HAZARDS TO HUMAN AND DOMESTIC ANIMALS

CAUTION: Wait at least 1 hour before entering pool after treatment with this product. Harmful if absorbed through the skin. Avoid contact with skin and clothing. Wash with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not get into eyes.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms.

PHYSICAL OR CHEMICAL HAZARDS

SeaKlear Problem Klear is not flammable. Do not allow this product to come into contact with acids or oxidizing agents under conditions other than as described in the directions for use. Add this product to water only. Neglect mixing of this product with acids or oxidizing agents may cause release of poisonous corrosive hydrogen bromide or bromine gas. Reducing agent.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

WAIT ONE HOUR AFTER APPLICATION BEFORE SWIMMING.

SeaKlear Problem Klear is used to control and prevent algae growth in swimming pools using chlorinating systems.

INITIAL TREATMENT for pools using chlorinating disinfection systems. Use to start a preventative treatment program with SeaKlear Problem Klear.

For each 10,000 gallons of swimming pool water, add 6 fluid ounces of SeaKlear Problem Klear directly to the water. Follow the Initial Treatment directions on the chlorinating compound product label. Do not mix SeaKlear Problem Klear directly with chlorinating compounds.

MAINTENANCE TREATMENT: for pools using chlorinating disinfection systems. Use bi-weekly, or as needed to keep water free of algae. Add chlorinating compound as directed on product label for appropriate size of swimming pool. Add the following amount of SeaKlear Problem Klear when adding a chlorinating compound.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by the use, storage, or disposal of this product.

STORAGE: Store in original container. Store in a cool, dry place away from the reach of children. Keep container closed when not in use.

DISPOSAL: Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinseate is a violation of Federal Law. If these wastes cannot be disposed of by use in accordance to label instructions, contact your Regional Office of the EPA for guidance.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Rinse thoroughly and securely wrap empty container in several layers of newspaper before discarding in trash, or offer for recycling, if available.
